

Dear Customer

Branch Closure for Refurbishment

Alloa Post Office
25 Drysdale Street, Alloa, FK10 1JL

We are writing to inform you that due to extensive building work and refurbishing the counters at the above location, the branch will need to close. The safety of our customers is of paramount importance to us, therefore, to allow for the building work to take place, it will be necessary for the service to close on Monday 27th January 2025 at 17:00.

It is envisaged that the work will take **approximately 4 weeks to complete**, following which the service will re-open on Tuesday 25th February 2025 at 13:00.

When the branch re-opens on Tuesday 25th February, it will change to one of our Main style branches and services will be offered at the screened and open plan counters. There will also be some additional services available to customers - a comprehensive range of Travel Money, Vehicle Tax, Local Collect, Change Giving services for business banking customers, Automated Business deposits over £200 and Parcel Force Worldwide.

Customers will be able to access Post Office services at a screened counter and at a second open plan serving point. Working with the postmaster, we will adapt the current store layout, fixtures and fittings to accommodate the changes if this is needed. The branch will continue to operate the same hours as it currently does.

If there are any unforeseen circumstances which mean these dates change, posters will be displayed in branch to let customers know.

The branches listed overleaf will be happy to provide customers with Post Office services during this period and this information will be made available locally. Should the dates change, posters will be displayed in branch to let customers know.

If you are a local representative, it would be helpful if you could share this information through your social media channels and with any local groups or organisations that you know within the community, for example on noticeboards, local charities and in GP surgeries, to help our customers and your constituents understand what is happening to the Post Office in the local community. If you would like a supply of posters, please let us know.

We would like to apologise for the inconvenience the closure may cause. We hope that our customers will continue to use the Post Office and full details of alternative Post Office services in the area are shown at the end of this letter.

This notification is being carried out in line with our Principles of Community Engagement which have been agreed with Citizens Advice, Consumer Scotland and the General Consumer Council for Northern Ireland - the independent statutory consumer watchdogs. An extract relating to Notification is available at the end of this letter.

Yours faithfully

Brian Turnbull

Principles of Community Engagement on changes to the Post Office network (extract)

A full version of this document is available on our Consultation Hub - postofficeviews.co.uk

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Notify** - where we are informing customers of changes around:

- Opening hours
- Unplanned closure¹/ planned service interruption
- Re-opening of a closed branch in the same site
- Opening a new branch unrelated to a previous closure
- Location used by a Mobile Post Office within a community
- Franchising of a Directly Managed branch in its existing site where there are no changes to access to the Post Office serving point

We will display a poster in branch (or nearby if appropriate) to notify customers of the above changes, aiming to provide four weeks' notice. Four weeks' notice may not be possible for an unplanned change, and in these instances, we will provide notice as soon as we are able to. For closures we will include details of the nearest alternative Post Offices and our customer helpline/textphone.

We notify locally elected representatives including but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Parliament, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council, selected charities, local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. They are also encouraged to share all information additionally with local groups and organisations who they believe have an active interest in changes to their local Post Office.

These Principles have been agreed with Citizens Advice, Consumer Scotland and the General Consumer Council for Northern Ireland, the independent statutory consumer advocacy bodies.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer advocacy body (Citizens Advice, Consumer Scotland, or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The consumer advocacy body will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

¹Where the closure is unplanned, the service provision in the area will be reviewed based on current usage, modelling and availability of any suitable replacement or alternative service model. A commercial decision will be made if to actively seek to replace the closed service and will not be subject to public consultation.
