

# Bangor Post Office

Following careful consideration, we have decided that there is sufficient access to alternative Post Office services to meet customer demand in the area.

**Bangor Post Office will therefore close on:**  
**Wednesday 12 November 2025 at 15.00**

We believe with the nearby branch upgrades there will be the appropriate level of Post Office services to meet the needs of customers in the local area who currently use the Bangor branch. However, Post Office Ltd. recognises that some, particularly our more vulnerable customers who rely on a Post Office services in this vicinity may find it more challenging to travel to the alternative branches. In response to customer feedback during local consultation, we will advertise the opportunity to operate a Local model branch in the immediate vicinity of the closing branch.

Customers requiring Post Office service may use any convenient branch, details of possible alternative branches are provided overleaf.

Further information is available in branch or on our
