

Dear Customer

**Bannockburn Post Office®**  
**21 Main Street, Bannockburn, Stirling, FK7 8LZ**

**Local public consultation decision**

I'm writing to confirm that following a period of local public consultation and review we have made the decision to proceed with the move of the above Post Office into Jintz Express, 17 Quakerfield, Bannockburn, Stirling, FK7 8JA.

I would like to thank everyone who took the time to let us have their comments and provide information. All the feedback we received helped us to better understand the views of customers and their representatives and this was taken into account along with all other relevant factors, in making our decision. A summary of the feedback is enclosed along with an information sheet providing further details about the new branch.

After careful consideration of the feedback received, we remain confident that the layout and location of the new branch will continue to meet customer needs and deliver an excellent service, whilst securing the long-term viability of Post Office services in the local community.

The current branch will close at 17:30 on Wednesday 07 August 2019, with the new branch opening, at Jintz Express, 17 Quakerfield, Bannockburn, Stirling, FK7 8JA, at 13:00 on Thursday 08 August 2019. If there are any unforeseen schedule changes which mean these dates change, posters will be displayed in branch to let customers know.

During transfer of the branch customers requiring Post Office facilities may use any convenient Post Office service. Details of an alternative Post Office branch are provided below for your convenience:

- St Ninians Post Office, 13 Main Street, St Ninians, Stirling, FK7 9AW

## **Appendix A**

### **Response to Local Public Consultation**

**Consultation started** 04 April 2019

**Consultation ended** 16 May 2019

#### **Consultation responses**

- 108 responses from customers and local representatives

#### **Key issues raised**

- Distance
- Parking
- Cash Machine
- Security and Privacy
- Staff Training

#### **Response to issues raised**

##### **Distance**

I appreciate that the new premises are located approximately 120 metres from the previous site. With any relocation it is inevitable that whilst some customers will have an easier journey to the new location, regrettably others will have further to travel. In terms of pedestrian access to the new location, there are well maintained pavements, with dropped kerbs along the route from the current site.

##### **Parking**

While I have considered the concerns raised about parking in the area surrounding the new location, it is fair to say that this is a problem faced generally in many locations nationwide. As I am sure you will understand the availability of parking spaces is outside the direct control of Post Office Limited. However I have conducted a further review of parking and I can confirm there is time restricted roadside parking outside the new premises. I am therefore satisfied that parking at the new branch will continue to meet the needs of customers using the Post Office.

##### **Cash Machine**

The current branch has a cash machine, however for reasons outside Post Office Limited's control, the Post Office external cash machine will not be transferring to the new branch. However, customers will still be able to access cash from their Post Office Card account and obtain everyday banking services at the Post Office serving point over the extended opening hours provided by the new operator. For any customer who requires access to Post Office card account outside of shop opening hours, there is an external cash machine at St Ninians Post Office, 13 Main Street, St Ninians, Stirling FK7 9AW.

##### **Security and Privacy**

Although the local style format is a different way of offering Post Office services, it does not compromise the professional service standards that we provide at all of our branches. We will also be working closely with the new operator to make sure an appropriate level of privacy is provided for Post Office customers. For example, we discuss issues like queue layout and asking customers to stand back from the counter whilst they are waiting for service or handing a receipt that contains any financial information face down. Open plan working also lends itself to more discreet conversations as customers don't have to raise their voice to be heard.

##### **Staff Training**

The staff training approaches used are of the same high standard as those undertaken in all our branches. This includes respecting customer confidentiality and adhering to the stringent security procedures which will be put in place to protect staff and customers. Additionally, any staff that will handle Post Office transactions will also have completed compliance training for a number of areas, including Data Protection and Mail Handling.

## **Principles of Community Engagement on changes to the Post Office network**

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Notify** - where we are informing customers of changes around:

- Opening hours
- Temporary closure<sup>1</sup>/ temporary service interruption
- Re-opening of a temporarily closed branch in the same site
- Opening a new branch unrelated to a previous closure
- Location used by a Mobile Post Office within a community

We will display a poster in branch (or nearby if appropriate) to notify customers of the above changes, providing four weeks' notice. Where four weeks' notice is not possible, we will provide notice as soon as we are able to. For temporary closures we will include details of the nearest alternative Post Offices and our customer helpline/textphone.

We will **Engage** - where we are seeking feedback on a decision that has been made on:

- Re-opening of a temporarily closed branch in a new location (where the branch has been closed for more than three months)
- Franchising of a Directly Managed branch in its existing site

While the decision to proceed will have already been made, we will welcome suggestions about specific aspects of the change such as access arrangements and the internal layout. We will provide four weeks' notice or, where extenuating circumstances prevent this, we will provide as much notice as possible.

During this period we will display a poster in branch and provide information online. We will contact locally elected representatives<sup>2</sup>, the Consumer Advocacy Bodies and selected charities<sup>3</sup>, providing clear information on any changes to services or access arrangements at the branch. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.). We will publish the outcome of the engagement online and in branch, providing a summary of key issues raised with a clear response to each and any changes made to our original plans.

We will **Consult** - where we are seeking feedback on proposals prior to a decision being made on the:

- Permanent closure of a Post Office branch<sup>4</sup>
- Permanent relocation of a Post Office branch (including the franchising of a Directly Managed branch to a new site)

We will carry out a six-week<sup>5</sup> local public consultation, informing customers, locally elected representatives, Consumer Advocacy Bodies and selected charities of the proposal. This information will also be made available online and for a Directly Managed branch a press release will be issued to local media. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.).

The consultation will ask specific questions on areas where we would like feedback on access to Post Office services and will confirm when the change will happen if the decision is made to proceed. We will provide clear information on any changes to services as well as access to and into the new branch.

We welcome all feedback with the following factors being taken into account in making our decision, which we expect to make within four weeks of the close of consultation:

- Customer access to, into and inside the new or alternative branch/branches with particular regard to vulnerable consumers
- Any local community issues which could be affected by or affect the proposal

At the end of the consultation process we will write to locally elected representatives, Consumer Advocacy Bodies and respondents to the consultation (where practical) to confirm our decision and provide a summary of key issues raised with a clear response to each. This information will be made available online and in branch (where possible).

***These Principles have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.***

*What to do if you feel these Principles haven't been followed:*

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Citizens Advice Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

<sup>1</sup>We will provide an update to locally elected representatives if the status of the temporarily closed branch has not changed after 12 months.

<sup>2</sup> Locally elected representatives include but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Assembly, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council.

<sup>3</sup> Selected charities are local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. All parties referred to in 2 and 3 above are encouraged to share all information with local groups and organisations who they believe have an active interest in changes to their local Post Office.

<sup>4</sup> There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases the consultation will seek feedback on alternative Post Office service provision in the area.

<sup>5</sup> If the consultation includes more than four weeks in July in Scotland and Northern Ireland or more than four weeks in August in England and Wales we will extend the period by one calendar week. We will not start any local public consultation during the two-week period which includes the Christmas and New Year bank holidays.
