

Dear Customer,

Changes to Bolehall Outreach Service

We are writing to inform you that, regrettably, the postmaster from Bolehall branch has ceased from operating Donisthorpe Outreach service at Donisthorpe Village Hall, Ramscliffe Avenue, Swadlincote, DE12 7QA. This service closed temporarily on Tuesday 31 May 2022. Please accept my apologies for the late notification on this occasion.

To accommodate the closure of Donisthorpe Outreach, the current opening hours at Market Bosworth Outreach service have changed. These changes took effect from Tuesday 07 June 2022.

Full details of the change are provided at the end of this letter.

We want to make sure customers can access our quality services and products across the Post Office network. We are committed to maintaining our access criteria so that 99% of the UK's population are within 3 miles of a Post Office and 90% are within 1 mile. However, due to the effects of coronavirus on retail businesses, this remains a challenging environment in which to operate. While we will always look to reopen branches when they close, we cannot commit to doing so in every instance at this time. We will continue to review this position and prioritise those areas with the highest need.

Any future changes to service provision would be handled in line with our Principles of Community Engagement. An extract relating to Notification is available at the end of this letter.

We will display posters in the local areas to inform customers.

If you are a local representative, it would be helpful if you could share this information through your social media channels and with any local groups or organisations that you know within the community, for example on noticeboards, local charities and in GP surgeries, to help our customers and your constituents understand what is happening to the Post Office in the local community. If you would like a supply of posters, please let us know.

We would like to apologise for the inconvenience the temporary closures may cause. We hope that our customers will continue to use Post Office services and details of alternative Post Office branches in the area are shown at the end of this letter. Due to the effects of Covid 19 branch opening hours may vary. The latest available branch information can be found on our website, www.postoffice.co.uk/branch-finder

If you have any questions you would like to raise about this matter, please write to me via the National Consultation Team at the address shown at the end of the letter. Please note that your comments will not be kept confidential unless you expressly ask us to do so by clearly marking them "In Confidence".

We're carrying out this notification in line with our Principles of Community Engagement. An extract relating to Notification is available at the end of this letter.

Thank you for your supporting our Post Office services.

Yours faithfully,

Kulwant S Dosanjh

Principles of Community Engagement on changes to the Post Office network (extract)

A full version of this document is available on our Consultation Hub - postofficeviews.co.uk

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Notify** - where we are informing customers of changes around:

- Opening hours
- Temporary closure¹ / temporary service interruption
- Re-opening of a temporarily closed branch in the same site
- Opening a new branch unrelated to a previous closure
- Location used by a Mobile Post Office within a community

We will display a poster in branch (or nearby if appropriate) to notify customers of the above changes, providing four weeks' notice. Where four weeks' notice is not possible, we will provide notice as soon as we are able to. For temporary closures we will include details of the nearest alternative Post Offices and our customer helpline/textphone.

These Principles have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Citizens Advice Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

¹ We will provide an update to locally elected representatives if the status of the temporarily closed branch has not changed after 12 months.

There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases, the consultation will seek feedback on alternative Post Office service provision in the area.

We notify locally elected representatives including but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Parliament, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council, selected charities, local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. They are also encouraged to share all information additionally with local groups and organisations who they believe have an active interest in changes to their local Post Office.
