

Dear Customer

**Buckfastleigh Post Office®
24 Fore Street, Buckfastleigh, TQ11 0AA**

Local public consultation decision

I'm writing to confirm that following a period of local public consultation and review we have made the decision and proceeded with the move of the above Post Office into Huccaby's News at 46 Fore Street, Buckfastleigh, TQ11 0AA, where it is operated by a retail partner.

I would like to thank everyone who took the time to let us have their comments and provide information. All the feedback we received helped us to better understand the views of customers and their representatives and this was taken into account along with all other relevant factors, in making our decision. A summary of the feedback is enclosed along with an information sheet providing further details about the new branch.

After careful consideration of the feedback received, we remain confident that the layout and location of the new branch will continue to meet customer needs and deliver an excellent service, whilst securing the long-term viability of Post Office services in the local community.

To restore Post Office services as quickly as possible to the local community in Buckfastleigh, your new-look Post Office service opened at the Huccaby's News on Monday 10 June 2019 at 13:00 and the previous Post Office branch closed on Wednesday 5 June 2019 at 13:00.

This information is also available on the Post Office Consultation Hub at: postofficeviews.co.uk

We're carrying out this notification in line with our Principles of Community Engagement. A copy is available at the end of this letter.

Yours faithfully

Andy Healey

- Space inside the shop

Response to issues raised

Parking

Generally parking is a problem faced in many locations nationwide and I am sure you will understand the availability of parking spaces is outside the direct control of Post Office Limited. For customers using their own transport to access the branch, I can confirm there is a disabled parking bay outside the new premises. Parking is also available at Mardle Way Pay & Display Car Park, located within 100 metres of the new branch with designated marked disabled bays. Station Road Pay & Display Car Park is located within 200 metres with dedicated marked disabled bays. I am therefore satisfied that the new branch is suitably located and that there is adequate parking in the vicinity for customers using the branch.

Space inside the shop

We recognise that the Post Office plays an important part in the lives of customers and we want to make our services as accessible as possible. Access is level with a wide door at the entrance. Internally, there is a hearing loop and space for a wheelchair. Inside, the new branch, it is in line with Post Office specifications, making sure there is sufficient space for the new style local Post Office to operate alongside the retail offer.

We have worked closely with the new operator on the internal layout and some fixtures and fittings, which have been re-aligned or removed to make sure there is clear access into the premises. Aisles and the queuing area will be kept free from obstructions and adequate room will be provided for customers and a wheelchair to move around the branch and access Post Office services.

The new local style Post Office is operating from a Post Office counter position located alongside the shop counter. The Post Office transactions are designed to be quick and efficient to operate to enable fast and effective customer service and helping to reduce queuing. The new branch will continue to cater for the vast majority of Post Office products and services. The local residents will continue to benefit from the same opening hours, including lunchtimes, so customers can use our services at times that suit them better. Full details of the new branch are provided at the end of this letter together with a list of the products and services which will be available.

Principles of Community Engagement on changes to the Post Office network

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Notify** - where we are informing customers of changes around:

- Opening hours
- Temporary closure¹/ temporary service interruption
- Re-opening of a temporarily closed branch in the same site
- Opening a new branch unrelated to a previous closure
- Location used by a Mobile Post Office within a community

We will display a poster in branch (or nearby if appropriate) to notify customers of the above changes, providing four weeks' notice. Where four weeks' notice is not possible, we will provide notice as soon as we are able to. For temporary closures we will include details of the nearest alternative Post Offices and our customer helpline/textphone.

We will **Engage** - where we are seeking feedback on a decision that has been made on:

- Re-opening of a temporarily closed branch in a new location (where the branch has been closed for more than three months)
- Franchising of a Directly Managed branch in its existing site

While the decision to proceed will have already been made, we will welcome suggestions about specific aspects of the change such as access arrangements and the internal layout. We will provide four weeks' notice or, where extenuating circumstances prevent this, we will provide as much notice as possible.

During this period we will display a poster in branch and provide information online. We will contact locally elected representatives², the Consumer Advocacy Bodies and selected charities³, providing clear information on any changes to services or access arrangements at the branch. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.). We will publish the outcome of the engagement online and in branch, providing a summary of key issues raised with a clear response to each and any changes made to our original plans.

We will **Consult** - where we are seeking feedback on proposals prior to a decision being made on the:

- Permanent closure of a Post Office branch⁴
- Permanent relocation of a Post Office branch (including the franchising of a Directly Managed branch to a new site)

We will carry out a six-week⁵ local public consultation, informing customers, locally elected representatives, Consumer Advocacy Bodies and selected charities of the proposal. This information will also be made available online and for a Directly Managed branch a press release will be issued to local media. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.).

The consultation will ask specific questions on areas where we would like feedback on access to Post Office services and will confirm when the change will happen if the decision is made to proceed. We will provide clear information on any changes to services as well as access to and into the new branch.

We welcome all feedback with the following factors being taken into account in making our decision, which we expect to make within four weeks of the close of consultation:

- Customer access to, into and inside the new or alternative branch/branches with particular regard to vulnerable consumers
- Any local community issues which could be affected by or affect the proposal

At the end of the consultation process we will write to locally elected representatives, Consumer Advocacy Bodies and respondents to the consultation (where practical) to confirm our decision and provide a summary of key issues raised with a clear response to each. This information will be made available online and in branch (where possible).

These Principles have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Citizens Advice Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

¹We will provide an update to locally elected representatives if the status of the temporarily closed branch has not changed after 12 months.

² Locally elected representatives include but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Assembly, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council.

³ Selected charities are local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. All parties referred to in 2 and 3 above are encouraged to share all information with local groups and organisations who they believe have an active interest in changes to their local Post Office.

⁴ There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases the consultation will seek feedback on alternative Post Office service provision in the area.

⁵ If the consultation includes more than four weeks in July in Scotland and Northern Ireland or more than four weeks in August in England and Wales we will extend the period by one calendar week. We will not start any local public consultation during the two-week period which includes the Christmas and New Year bank holidays.
