

Dear Customer

**Cefn Mawr Post Office®**  
**Crane Street, Cefn Mawr, Wrexham, LL14 3LN**

**Local Public Consultation Decision**

I'm writing to confirm that after careful consideration we have decided not to proceed with the proposed move of Cefn Mawr Post Office to Rogers Newsagents, 24 High Street, Rhosymedre, Wrexham, LL14 3YE.

The local public consultation on the proposal to move Cefn Mawr Post Office from its current location ended on 8 October 2020. During the consultation period we received a number of comments from customers and local representatives. In the main, feedback focused on the location of the proposed new premises, space within the shop and parking in the area surrounding the new premises. In making our decision, we have taken into account all relevant factors including the impact this would have on customer access to our services and the responses we received as part of the consultation process.

The branch will therefore continue to operate from its existing location for the time being. In line with our Principles of Community Engagement, any proposed new location would be subject to a further 6-week period of local public consultation.

This information is also available on the Post Office Consultation Hub at [postofficeviews.co.uk](https://postofficeviews.co.uk).

This communication is being carried out in line with our Principles of Community Engagement for changes to the Post Office network, which we have agreed with Citizens Advice. If you'd like a copy of the Principles, it's available by contacting us or on our website at: [www.postofficeviews.co.uk](https://www.postofficeviews.co.uk).

Thank you for considering our proposal.

Yours faithfully

*Sarah Cottrell*
