

Dear Customer

**Local public consultation – Decision**

**Central Village Post Office  
Unit 6, Lewis's Building, Renshaw Street, Liverpool, L1 2SA**

I'm writing to confirm that following a period of local public consultation and review, we have made the decision to proceed with the move of the above Post Office into Unit 39, Dawson Way, St John's Precinct, Liverpool, L1 1LH, where it will continue to operate as one of our main style branches, by the existing postmaster.

I would like to thank everyone who took the time to let us have their comments and provide information. All the feedback we received helped us to better understand the views of customers and their representatives and this was taken into account, along with all other relevant factors, in making our decision. A summary of the feedback is enclosed along with an information sheet providing further details about the new branch.

After careful consideration of the feedback received, we remain confident that the layout and location of the new branch will continue to meet customer needs and deliver an excellent service, whilst securing the long-term viability of Post Office services in the local community.

The current branch will close at 14:00 on Saturday 22 October 2022, with the new branch opening, at Unit 39, Dawson Way, St John's Precinct, at 09:00 on Friday 11 November 2022. If there are any unforeseen circumstances which mean these dates change, posters will be displayed in branch to let customers know.

During transfer of the branch customers requiring Post Office facilities may use any convenient Post Office service. Details of two alternative Post Office branches are provided below for your convenience:

- Monument Place Post Office, 83-85 London Road, Liverpool, L3 8JA
- Liverpool Post Office, 1 - 3 South John Street, Liverpool, L1 8BN

### Response to Local Public Consultation

**Consultation started** 28 June 2022

**Consultation ended** 9 August 2022

We received 5 individual responses from customers and local representatives during the local public consultation period, who supported the move of the branch. Respondents welcomed retention of Post Office services locally, the ease of access, located more central to local community, amongst other shops and amenities, and increased space, which would be available in the new branch.

I have carefully considered our original proposal and the feedback received during the local public consultation period. I am confident that the new branch is suitably located will meet customer needs, whilst helping to provide future sustainability for the branch.

The new branch will be located approximately 530 metres away from the current branch, along varied terrain, and will be located on the upper floor of the shopping centre, which will be accessed via a ramp near the Queen Square Bus Station.

We recognise that the Post Office plays an important part in the lives of customers, and we want to make our services as accessible as possible. Access at the entrance to the new premises will be level with a wide door. Internally, there will a low-level serving counter, a low-level writing desk, a hearing loop and space for wheelchair. The local residents will continue to benefit from the same opening hours.

We will work closely with the postmaster on the internal layout and some fixtures and fittings, which will be re-aligned or removed to make sure there is clear access into the premises. Aisles and the queuing area will be kept free from obstructions and adequate room will be provided for customers and a wheelchair to move around the branch and access Post Office services. Inside, the new branch, will be in line with Post Office specifications, making sure there is sufficient space for the new main style Post Office to operate alongside the new Cards and Stationery retail store.

The current branch has an external Post Office branded cash machine; however, we will not be transferring the cash machine to the new premises. All Post Office branches offer free access to cash for the major high street banks. Customers will be able to use their debit card to withdraw cash at the counter free of charge, throughout the same opening times provided by our postmaster. In the meantime, and if required, customers can also access the 24-hour cash machine facilities at Eldonian Village Post Office branch, located approximately 1.3 miles away at Unit 1, Burlington House, Burlington St, Liverpool L3 6LG.

Further details of the new branch are provided at the end of this letter.

## **Principles of Community Engagement on changes to the Post Office network (extract)**

A full version of this document is available on our Consultation Hub - [postofficeviews.co.uk](https://postofficeviews.co.uk)

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following principles will be adopted when communicating about changes to your local Post Office branch.

We will **Consult** where we are seeking feedback on proposals prior to a decision being made on the:

- Permanent closure of a Post Office branch<sup>1</sup>
- Permanent relocation of a Post Office branch (including the franchising of a Directly Managed branch to a new site)

We will carry out a six-week<sup>2</sup> local public consultation, informing customers, locally elected representatives<sup>3</sup>, Consumer Advocacy Bodies and selected charities<sup>4</sup> of the proposal. This information will also be made available online and for a Directly Managed branch a press release will be issued to local media. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.).

The consultation will ask specific questions on areas where we would like feedback on access to Post Office services and will confirm when the change will happen if the decision is made to proceed. We will provide clear information on any changes to services as well as access to and into the new branch.

We welcome all feedback with the following factors being taken into account in making our decision, which we expect to make within four weeks of the close of consultation:

- Customer access to, into and inside the new or alternative branch/branches with particular regard to vulnerable consumers
- Any local community issues which could be affected by or affect the proposal

At the end of the consultation process we will write to locally elected representatives, Consumer Advocacy Bodies and respondents to the consultation (where practical) to confirm our decision and provide a summary of key issues raised with a clear response to each. This information will be made available online and in branch (where possible).

**These Principles have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.**

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Citizens Advice Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

<sup>1</sup> There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases, the consultation will seek feedback on alternative Post Office service provision in the area.

<sup>2</sup> If the consultation includes more than four weeks in July in Scotland and Northern Ireland or more than four weeks in August in England and Wales, we will extend the period by one calendar week. We will not start any local public consultation during the two-week period which includes the Christmas and New Year bank holidays.

<sup>3</sup> Locally elected representatives include but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Parliament, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council.

<sup>4</sup> Selected charities are local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. All parties referred to in <sup>3</sup> and <sup>4</sup> above are encouraged to share all information with local groups and organisations who they believe have an active interest in changes to their local Post Office.
