

Chudleigh Hosted Outreach Services

Your new branch has opened

We recently asked your views on some key areas about our plans regarding the Post Office services for Yeoford, Burrington, Ashreigney and Morchard Bishop and confirm these have been operating from inside the premises at the same locations.

The Cheriton Bishop Postmaster, ceased operating the above Post Office services, on Thursday 7 March 2019. The Mobile Outreach services at Chittlehamholt and Umlerleigh also ceased on Thursday 7 March 2019.

We received 1 response and this feedback was in support of our plans. The Postmaster from Chudleigh Post Office, has been providing Post Office services to the new premises, with the introduction of a permanent Hosted Outreach service, which commenced on Friday 8 March 2019.

To accommodate these new services, we have also made some minor changes to the current opening hours of the Hosted Outreach services offered at the new premises.

We do understand that for some customers the opening times may be less convenient than for others. However, we do consider that the new opening times reflect customer usage, and will allow us to maintain a Post Office service to the community for the longer term. We will continue to review and monitor service on an on-going basis and should customer usage increase significantly, consideration would be given to adjusting service times accordingly.

We hope that you will enjoy using the new Post Office.
