Your new Hosted Outreach Post Office service has opened

We recently asked your views on some key areas about our plans to restore the Post Office service in the local community.

We didn't receive any responses and we are pleased to let you know that we have restored Post Office services in Coddington, which commenced on Thursday 31 October 2019.

The Postmaster from Lincoln Road Post Office will provide Post Office services from within the Community Centre on Thursdays between 13:00 and 16:00.

Our priority is to safeguard Post Office services to the local community in the longer term. The introduction of a permanent Hosted Outreach service will enable us to maintain Post Office services to our customers in the local area.

We will continue to review and monitor service on an on-going basis and should customer usage increase significantly, consideration would be given to adjusting service times accordingly.

Access and facilities

The Coddington Community Centre has level access and a wide door with a handrail at the entrance. Internally, there will be a hearing loop and space for a wheelchair.

Parking

There is a large car park outside the Coddington Community Centre.

Buses

There is a regular bus service available between the previous branch and the Community Centre. The nearest bus stop is within 85 metres from Coddington Community Centre.

We hope that you will enjoy using the new Post Office.
