

Dear Customer

Local public consultation – Decision

**Codsall Post Office
Midcounties Co-Operative Food, 14 Station Road, Wolverhampton, WV8 1BX**

I'm writing to update you that following a period of local public consultation and review, we have made the decision to proceed with the move of the above Post Office into Midcounties Co-Operative Food, 28-32 Wood Road, Codsall, Wolverhampton, WV8 1DB. Please accept my apologies for the short notice notification on this occasion.

The current branch will close at 17:30 on Thursday 10 September 2026. A temporary service will then open at Midcounties Co-operative Food from 09:00 on Monday 14 September 2026.

We will update customers as soon as a confirmed reopening date for the official branch is available. If any unforeseen circumstances result in these dates changing, notices will be displayed in branch to keep customers informed.

During transfer of the branch customers requiring Post Office facilities may use any convenient Post Office service. Details of two alternative Post Office branch's are provided below for your convenience:

- Lane Green Post Office, 13-15 Bilbrook Road, Codsall, Wolverhampton, WV8 1EU
- Pendefor Post Office, Pendeford Avenue, Wolverhampton, WV6 9EH

This information is also available on the Post Office Consultation Hub at: postofficeviews.co.uk

We're carrying out this notification in line with our Principles of Community Engagement. An extract relating to Consultation is available at the end of this letter.

Yours faithfully

Sarah Cottrell

- **Parking and Carpark conditions**

Response to issues raised

Distance

The new premises are located approximately 180 metres from the current branch. With any relocation it is inevitable that whilst some customers will have an easier journey to the new location, regrettably others will have further to travel. In terms of pedestrian access to the new location, there are well maintained pavements, with dropped kerbs along the route from the current branch.

Internal Space

Internally, the new branch will be built in line with Post Office specifications with a dedicated Post Office area, and making sure there is sufficient space for the Post Office service to operate alongside the retail offer. We will be working closely with the partner on the internal layout, to ensure optimum use of the space within the store and that access into and inside is kept clear and free of obstacles. Some fixtures and fittings will be re-aligned or removed to make sure there is clear access into the premises, ensuring the entrance, aisles and the waiting area are kept free from obstructions and adequate room is provided for customers and a wheelchair to move around without difficulty.

Serving counters and queuing

The new Post Office is housed within a dedicated area of the store with three screened counter positions. This enables customers to carry out a range of Post Office products and services. We will also work with the operator and monitor service standards to ensure they are maintained and that staffing levels are aligned to meet customer demand particularly at busy periods.

Parking and Carpark conditions

Parking and the availability of parking spaces are challenges commonly experienced across many locations nationwide. While the availability of parking is outside the direct control of Post Office Limited, a further review has been carried out.

The new premises will include a dedicated customer car park offering over 100 parking spaces for customers of the Co-op store and those using the Post Office branch, with designated Disabled Parking and Parent and Child bays.

Customers also expressed concerns regarding the current condition of the car park, highlighting issues such as potholes and cracks in the surface. Midcounties would like to reassure customers that they are fully aware of these problems and are treating the matter as a priority. While they are not yet able to provide a confirmed timeline for the repairs, Midcounties have emphasised that they recognise the importance of resolving the issue. They are currently working to establish a completion date for the required repairs.

Principles of Community Engagement on changes to the Post Office network (extract)

A full version of this document is available on our Consultation Hub - postofficeviews.co.uk

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Consult** - where we are seeking feedback on proposals prior to a decision being made on the:

- Permanent closure of a Post Office branch⁵
- Permanent relocation of a Post Office branch (including the franchising of a Directly Managed branch to a new site)

We will carry out a six-week⁶ local public consultation, informing customers, locally elected representatives, Consumer Advocacy Bodies, and selected charities of the proposal. This information will also be made available online and for a Directly Managed branch a press release will be issued to local media. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.).

The consultation will ask specific questions on areas where we would like feedback on access to Post Office services and will confirm when the change will happen if the decision is made to proceed. We will provide clear information on any changes to services as well as access to and into the new branch.

We welcome all feedback with the following factors being taken into account in making our decision, which we expect to make within four weeks of the close of consultation:

- Customer access to, into and inside the new or alternative branch/branches with particular regard to vulnerable consumers
- Any local community issues which could be affected by or affect the proposal

At the end of the consultation process we will write to locally elected representatives, Consumer Advocacy Bodies, and respondents to the consultation (where practical) to confirm our decision and provide a summary of key issues raised with a clear response to each. This information will be made available online and in branch (where possible).

These Principles have been agreed with Citizens Advice, Consumer Scotland and the General Consumer Council for Northern Ireland, the independent statutory consumer advocacy bodies.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer advocacy body (Citizens Advice, Consumer Scotland, or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The consumer advocacy body will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

⁵ There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases, the consultation will seek feedback on alternative Post Office service provision in the area.

⁶ If the consultation includes more than four weeks in July in Scotland and Northern Ireland or more than four weeks in August in England and Wales, we will extend the period by one calendar week. We will not start any local public consultation during the two-week period which includes the Christmas and New Year bank holidays.
