

Dear Customer

**Coldstream Post Office®
69 High Street, Coldstream, TD12 4DL**

Proposed move to new premises & branch modernisation

I'm writing to let you know that we are proposing, with the Postmaster's agreement, to move the above Post Office branch to a new location - Keystore, 64 High Street, Coldstream, TD12 4DH. I'm pleased to tell you that, if the move goes ahead, subject to consultation it will change to one of our new local style branches.

This change is part of a major programme of modernisation taking place across the Post Office network, the largest in the history of Post Office Ltd. The Programme is underpinned by Government investment and will see up to 8,000 branches modernised and additional investment in over 3,000 community and outreach branches.

What will this mean for customers?

- Post Office services will be offered from a till on the retail counter in a modern open plan branch
- Longer opening hours
- The majority of Post Office products and services will still be available
- Improved accessibility

Consulting on the proposed new location

We're now starting a period of local public consultation and would like you to tell us what you think about the suitability of the proposed new location. Before we finalise our plans, we would really like to hear your views on the proposed location, particularly on the following areas:

- How suitable you think the new location and premises are and how easy it is to get there
- Are the new premises easy for you to get into and is the inside easily accessible
- Are there any other local community issues which you believe could be affected by or affect the proposed change
- If the move were to proceed is there anything we could do to make it easier for customers

I've enclosed an information sheet that provides more details about the new location and the range of products that will be available. If you have any comments or questions, please email or write to me via our Communication and Consultation team, whose contact details are overleaf. Please note that your comments will not be kept confidential unless you expressly ask us to do so by clearly marking them "In Confidence". Any information we receive will be considered as we finalise our plans for the new branch.

You can share your views on the proposed move through our easy and convenient new online questionnaire via the link below. When entering the site you will be asked to enter the code for this branch: 112830

postofficeviews.co.uk

Dates for local public consultation:

Local Public Consultation starts	21 November 2017
Local Public Consultation ends	18 January 2018
Proposed month of change	March/April 2018

In this instance we have extended public consultation by 10 calendar days to allow for the Christmas and New Year period.

Unfortunately due to unforeseen circumstances, posters and leaflets were not displayed in the branch to let customers know about the changes. We have therefore extended the local public consultation period. We will now be accepting responses up until 18 January 2018 to ensure that we allow our customers the full period as outlined in our Code of Practice.

I've included information about the Code of Practice over the page and copies of the Code will also be available in branch.

Thank you for considering our proposal. At the end of the consultation we'll let you know our final plans by displaying a poster in the branch.

Yours faithfully

Suzanne Richardson
Regional Network Manager

Code of Practice for changes to the Post Office® network

What's a Code of Practice?

The Code of Practice contains guidelines we follow. They tell us how, and when to tell you about changes to your local Post Office services. We've worked with the independent statutory consumer watchdog on these guidelines, which in Great Britain is Citizens Advice and Citizens Advice Scotland, and in Northern Ireland, the Consumer Council.

What kind of changes does it include?

Information about when we're planning to move or close one of our branches or outreach services. This also covers information about when a branch has suddenly closed unexpectedly because of something like a flood or fire.

Who do we tell about changes?

You and your representatives (who are often local MPs or local authorities and councils).

How will we tell you what's happening?

If there's a minor change – like changing opening times, then we'll let you know by putting up posters in the Post Office. If the plan is to move a Post Office then we'll put up posters and hand out letters in the branch as well as writing to your representatives. We'll have a press release and, the relevant information will be easy to find on our website.

How long will it take?

We'll let you know about any changes as soon as we possibly can. Sometimes, change is out of our control but we'll try to keep you as up-to-date about what's happening as much as we can. We try to make sure you have 4 weeks' notice before anything happens. If we're going to make big changes, there'll be a 'consultation period' which lasts about 6 weeks. This means that you've got time to let us know how you feel.

It's easy to let us know what you think...

We want to hear what you and your representatives think about change and to make sure it's easy for you to let us know, all of our contact details can be found on all our posters and letters. You can contact us by email, letter or 'phone.

How will you find out about the final plans?

We'll be letting you know in as many ways as possible. There'll be posters put up in or around your local area, letting you know what's going on. We'll also write to local representatives and, the information will be on our website.

If you let us know what you think, we'll make sure you know about our final plans either by writing to you, or having the information easily available in the Post Office or on our website.

What can you do if you think we haven't followed the Code of Practice?

If you don't think we've followed the Code, then please write to us or email us via the contact details included in this letter and let us know why.

To have a look at the full Code of Practice, it's on our website at www.postofficeviews.co.uk
