

Changes to your branch®

We recently asked your views regarding access in relation to our plans to franchise East Kilbride Post Office.

We received 8 responses from customers and local representatives which raised some concerns regarding access within the store.

We will be working with the new operator to ensure that there are sufficiently wide, clear aisles and there is adequate space for Post Office customers, including wheelchair and buggy users, so they can easily access the Post Office area. The same products and services will be available with the exception of the internal cash machine.

The new operator will be responsible of ensuring that the branch has sufficient staff to cope with demand and the branch has been sized based on current and future predicted customer levels.

To make the change the branch will close temporarily on Thursday 26 September 2019 at 16:00 and re-open on Friday 27 September 2019 at 09:00

During this period of temporary closure customers requiring Post Office services may use any convenient Post Office branch.

Details of nearby alternative branches are shown below.
