

Dear Customer

Local public consultation - Have your say

Elton Post Office

McColls Store, 1 - 2 Elton Shopping Precinct, Elton, Chester, CH2 4LU

We are moving the above Post Office branch to a new location – Spar Elton, Unit 11, Elton Shopping Precinct, 8 Ince Lane, Elton, Chester, CH2 4LU.

Why are we moving?

Regrettably our retail partner, Morrisons, has recently taken the difficult decision to close several of their McColl's branded stores in January 2023, including Elton which also provides a Post Office service. As a result, due to the withdrawal of the premises for Post Office use, the branch is scheduled to close on Tuesday 17 January 2023 at 17:30. We have therefore had to identify an alternative location to continue to offer Post Office services to the community.

We are pleased to inform you that a new agent has been appointed to operate the Elton Post Office branch from the Spar store within the same shopping precinct and it will continue to operate as one of our local style branches.

To restore Post Office services as quickly as possible to the local community, we plan to open your new Post Office service at the new premises on Friday 24 February 2023 at 09:00. If there are any unforeseen schedule changes which mean these dates change, posters will be displayed in branch and the new premises to let customers know.

During the transfer of the branch, customers requiring Post Office facilities may use any convenient Post Office service. Details of two alternative Post Office branches are provided below for your convenience:

- Helsby Post Office, 205 Chester Road, Helsby, Frodsham, WA6 0DA
- Mickle Trafford Post Office, 2 Wells Close, Mickle Trafford, Chester, CH2 4DZ

Our priority is to safeguard our services in the locality in the longer term and the relocation of Elton Post Office will enable us to maintain a Post Office service to our customers in the local community.

We'd like your help

Whilst the decision has already been made to move Elton Post Office branch, we would still like your views on access into and inside the new location.

We'd welcome your comments on the following areas:

- **Are the new premises easy for you to get into and is the inside easily accessible?**
- **Are there any other local community issues which you believe could be affected by or affect the move?**
- **Is there anything we could do to make it easier for customers?**

Please note the change of management of the branch is a decision for Post Office Ltd and therefore we are not seeking feedback on this aspect of the change.

Local Public Consultation starts	9 December 2022
Local Public Consultation ends	20 January 2023

In order to minimise the loss of Post Office service to our customers in Elton, the new Post Office service is due to open on Thursday 23 February 2022 at Spar. However, this does not affect the period of public consultation which is ongoing until Friday 20 January 2023.

You can share your views on the planned change through our easy and convenient online questionnaire via postofficeviews.co.uk. When entering the website, you can use the search function to find the consultation for this branch either by branch name, postcode or the unique branch code **687614**

Good to know

- Customers will access Post Office services at a low-screened, open-plan, modern serving point that's part of the retail counter.
- Working with the operator, we'd adapt the current store layout, fixtures and fittings to accommodate the Post Office till if needed.
- The Post Office will offer a similar range of products and services over longer opening hours so customers can access their branch when it's convenient. Customer satisfaction with local style branches is high, and many customers visit outside traditional opening hours.
- All staff employed to work in the new branch would be trained to the highest standards with on-going training on products and services, as well as operational and service-related matters.
- Posters and leaflets will now be displayed in branch to let customers know about the move and to ask their views.
- Any information we receive will be carefully considered as we finalise our plans.
- If you are a local representative, we will write to you again at the end of the consultation to respond to the main issues raised and to explain our final plans for the branch.
- This consultation is being carried out in line with our Principles of Community Engagement which have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland - the independent statutory consumer watchdogs. An extract relating to Consultation is available at the end of this letter.

If you are a local representative, it would be helpful if you could share this information through your social media channels and with any local groups or organisations that you know within the community, for example on noticeboards, local charities and in GP surgeries, to help our customers and your constituents understand what is happening to Elton Post Office. If you would like a supply of posters, please let us know. Our contact details can be found at the top of this page.

Thank you for considering our planned changes and supporting the Post Office in Elton.

Yours faithfully

Sarah Cottrell

Principles of Community Engagement on changes to the Post Office network (extract)

A full version of this document is available on our Consultation Hub - postofficeviews.co.uk

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following principles will be adopted when communicating about changes to your local Post Office branch.

We will **Consult** where we are seeking feedback on proposals prior to a decision being made on the:

- Permanent closure of a Post Office branch¹
- Permanent relocation of a Post Office branch (including the franchising of a Directly Managed branch to a new site)

We will carry out a six-week² local public consultation, informing customers, locally elected representatives³, Consumer Advocacy Bodies and selected charities⁴ of the proposal. This information will also be made available online and for a Directly Managed branch a press release will be issued to local media. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.).

The consultation will ask specific questions on areas where we would like feedback on access to Post Office services and will confirm when the change will happen if the decision is made to proceed. We will provide clear information on any changes to services as well as access to and into the new branch.

We welcome all feedback with the following factors being taken into account in making our decision, which we expect to make within four weeks of the close of consultation:

- Customer access to, into and inside the new or alternative branch/branches with particular regard to vulnerable consumers
- Any local community issues which could be affected by or affect the proposal

At the end of the consultation process we will write to locally elected representatives, Consumer Advocacy Bodies and respondents to the consultation (where practical) to confirm our decision and provide a summary of key issues raised with a clear response to each. This information will be made available online and in branch (where possible).

These Principles have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Citizens Advice Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

¹ There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases, the consultation will seek feedback on alternative Post Office service provision in the area.

² If the consultation includes more than four weeks in July in Scotland and Northern Ireland or more than four weeks in August in England and Wales, we will extend the period by one calendar week. We will not start any local public consultation during the two-week period which includes the Christmas and New Year bank holidays.

³ Locally elected representatives include but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Parliament, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council.

⁴ Selected charities are local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. All parties referred to in ³ and ⁴ above are encouraged to share all information with local groups and organisations who they believe have an active interest in changes to their local Post Office.
