

Dear Customer

At the Post Office we are continually looking to refresh our network and ensure we meet our customer needs. I'm therefore pleased to let you know that we are planning to open a new Post Office in your area in Cashcounts, 605 Fulham Road, London, SW6 5UA on Wednesday 11 July 2018 at 13:00.

The service will be one of our local style branches with a low-screened, open-plan Post Office service point carefully integrated into the retail counter. Customers will be able to carry out a wide range of Post Office transactions alongside retail purchases. The new service will offer long opening hours, with the Post Office opening hours in line with the retail business.

Details of the opening hours and the key products and services that will be available are provided overleaf. Please feel free to share this information with others who may be interested to hear about the new service. If there are any unforeseen changes which mean these dates change, posters will be displayed in store to let customers know.

We hope that you and the local community will support the Post Office network in your area.

Yours faithfully

*Krina Shah*
