

Dear Customer

Local public consultation – Decision

**Gourock Post Office
29-31 Kempock Street, Gourock, PA19 1NB**

I'm writing to confirm that following a period of local public consultation and review we have made the decision to proceed with the move of the above Post Office into Wee Weegie, 85 Kempock Street, Gourock, PA19 1NF, where it would operate as one of our local style branches by a new postmaster.

I would like to thank everyone who took the time to let us have their comments and provide information. All the feedback we received helped us to better understand the views of customers and this was taken into account, along with all other relevant factors, in making our decision. A summary of the feedback is enclosed along with an information sheet providing further details about the new branch.

After careful consideration of the feedback received, we remain confident that the layout and location of the new branch will continue to meet customer needs and deliver an excellent service, whilst securing the long-term viability of Post Office services in the local community.

We're currently making the final arrangements for the move and further information will be provided in branch once the dates have been agreed.

This information is also available on the Post Office Consultation Hub at: postofficeviews.co.uk

We're carrying out this notification in line with our Principles of Community Engagement. An extract relating to consultation is available at the end of this letter.

Yours faithfully

David Duff

Appendix A

Response to Local Public Consultation

Consultation started Tuesday 3 October 2023

Consultation ended Tuesday 14 November 2023

Consultation responses

- 200 responses from customers

Key issues raised

- Distance and Parking
- Access and Space

Response to issues raised

Customers welcomed and supported the move because they want a more reliable stable service, and the new location offers convenient access to Post Office services. Some customers raised concerns that they will have further to travel to access Post Office services. I acknowledge that for some customers the move may mean a slightly longer journey than currently, however the new premises are a walking distance from the current site. In situations such as this there will always be some customers who are more inconvenienced than others and we can only apologise for this.

With any relocation it is inevitable that whilst some customers will have an easier journey, or find the premises are closer than at present, regrettably others will have further to travel. However, we remain confident the move will not significantly impede customer access to Post Office services. We believe this relocation is the most effective way to secure the long-term viability of Post Office services in Gourrock.

Distance and Parking

We can confirm the new branch will be located on the same road, approximately 120 metres away from the current branch, along mostly level terrain. We can confirm pedestrian access to the new location, there are well maintained pavements along the route from the previous site.

While we have considered some comments raised about parking in the area surrounding the new premises, it is fair to say that this is a problem faced generally in many locations nationwide. Whilst the availability of parking spaces is outside the direct control of Post Office Limited. A further review of parking has been carried out and we can confirm that customers using their own transport, Time restricted roadside parking is available opposite the new premises with dedicated disabled bays. We are therefore satisfied that there is adequate car parking in the area surrounding the new branch to meet the needs of customers using the new Post Office.

Access and Space

We recognise that the Post Office plays an important part in the lives of our customers, particularly to the older and disabled people and we want to make our services as accessible as possible. We are pleased to confirm that when the new Post Office opens, access will be level with a wide door at the entrance to the new premises. Internally, there will be a hearing loop and space for a wheelchair.

Internally, the new branch will be built in line with Post Office specifications with a dedicated Post Office area, and making sure there is sufficient space for the Post Office service to operate alongside the retail offer. We will be working closely with the postmaster on the internal layout, to ensure optimum use of the space within the store and that access into and inside is kept clear and free of obstacles. Some fixtures and fittings will be re-aligned or removed to make sure there is clear access into the premises, ensuring the entrance, aisles and the waiting area are kept free from obstructions and adequate room is provided for customers and a wheelchair to move around without difficulty.

Appendix B

Summary Sheet Gourock Post Office

Wee Weegie
85 Kempock Street
Gourock
PA19 1NF

Principles of Community Engagement on changes to the Post Office network (extract)

A full version of this document is available on our Consultation Hub - postofficeviews.co.uk

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following principles will be adopted when communicating about changes to your local Post Office branch.

We will **Consult** where we are seeking feedback on proposals prior to a decision being made on the:

- Permanent closure of a Post Office branch¹
- Permanent relocation of a Post Office branch (including the franchising of a Directly Managed branch to a new site)

We will carry out a six-week² local public consultation, informing customers, locally elected representatives³, Consumer Advocacy Bodies and selected charities⁴ of the proposal. This information will also be made available online and for a Directly Managed branch a press release will be issued to local media. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.).

The consultation will ask specific questions on areas where we would like feedback on access to Post Office services and will confirm when the change will happen if the decision is made to proceed. We will provide clear information on any changes to services as well as access to and into the new branch.

We welcome all feedback with the following factors being taken into account in making our decision, which we expect to make within four weeks of the close of consultation:

- Customer access to, into and inside the new or alternative branch/branches with particular regard to vulnerable consumers
- Any local community issues which could be affected by or affect the proposal

At the end of the consultation process we will write to locally elected representatives, Consumer Advocacy Bodies and respondents to the consultation (where practical) to confirm our decision and provide a summary of key issues raised with a clear response to each. This information will be made available online and in branch (where possible).

These Principles have been agreed with Citizens Advice, Consumer Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Consumer Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

¹ There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases, the consultation will seek feedback on alternative Post Office service provision in the area.

² If the consultation includes more than four weeks in July in Scotland and Northern Ireland or more than four weeks in August in England and Wales, we will extend the period by one calendar week. We will not start any local public consultation during the two-week period which includes the Christmas and New Year bank holidays.

³ Locally elected representatives include but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Parliament, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council.

⁴ Selected charities are local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. All parties referred to in 3 and 4 above are encouraged to share all information with local groups and organisations who they believe have an active interest in changes to their local Post Office.
