

Dear Customer

**Greasbrough Post Office®**  
**2 Cross South Street, Greasbrough, Rotherham, S61 4PW**

**Local public consultation decision**

I'm writing to confirm that following a period of local public consultation and review we have made the decision to proceed with the move of the above Post Office into Wagon Convenience Store at 101 Wagon Road, Greasbrough, Rotherham, S61 4QE.

I would like to thank everyone who took the time to let us have their comments and provide information. All the feedback we received helped us to better understand the views of customers and their representatives and this was taken into account along with all other relevant factors, in making our decision. I am very aware of the importance a Post Office branch has in local communities, particularly to our elderly and more vulnerable customers, and also acknowledge that any such change may cause inconvenience to some.

It may be helpful if I explain that this branch is currently operated on our behalf by a temporary agent. Whilst this arrangement has enabled us to maintain Post Office services locally, our priority has always been to find a long-term sustainable solution for our customers in Greasbrough and we are confident that this move, the new premises and postmaster will provide this.

After careful consideration of the feedback received, we remain confident that the layout and location of the new branch will continue to meet customer needs and deliver an excellent service, whilst securing the long-term viability of Post Office services in the local community.

The current branch will close at 17:30 on Tuesday 8 June 2021, with the new branch opening, at Wagon Convenience Store at 13:00 on Wednesday 9 June 2021. If there are any unforeseen schedule changes which mean these dates change, posters will be displayed in branch to let customers know.

This information is also available on the Post Office Consultation Hub at: [postofficeviews.co.uk](https://postofficeviews.co.uk)

We're carrying out this notification in line with our Principles of Community Engagement. A copy is available at the end of this letter.

Yours faithfully

*Hayley Brown*

#### Response to issues raised

##### Distance

The new premises are located approximately 750 metres from the current site. In situations such as this, there will always be some customers who are more inconvenienced than others. Equally, there will be other customers for whom the new location is slightly closer and easier to get to than at present. The terrain around both current and new premises can be described as similarly hilly in all directions requiring the majority of customers to go up or downhill when going to or leaving either of the branches.

Local community transport schemes such as 'Door2Door' operate in the local area and may provide an alternative option for customers wishing to access the new branch. Further details are available by telephone on 01709 517100 or email [bookings@rotherhamct.org.uk](mailto:bookings@rotherhamct.org.uk).

##### Parking

Whilst the availability of parking spaces is outside the direct control of Post Office Limited, a further review of parking has been carried out and has confirmed that roadside parking is available in close proximity to the new premises and further along Wagon Road as well as in surrounding streets.

##### Access

Access at the new location is currently via steps and a ramp, as well as a path which goes around the outside of the building providing step free access. To improve access for customers, the new postmaster will build a new Equality Act compliant ramp at the entrance as well as installing a handrail along the path surrounding the premises. New external security lighting will also be provided.

##### Security

The Post Office Security Team assess any premises put forward to house a Post Office. All aspects of security are taken very seriously and there will be strict guidelines and measures put in place to safeguard customers, staff and the cash and stock entrusted to the postmaster's care at the new premises. Security lighting will be installed to the side of the shop to illuminate the path area next to the shop and the store will have the necessary security equipment installed when adapting their premises for Post Office use. Additionally, the new postmaster will engage with the local police on any antisocial behaviour outside their premises.

## **Principles of Community Engagement on changes to the Post Office network**

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Notify** - where we are informing customers of changes around:

- Opening hours
- Temporary closure<sup>1</sup>/ temporary service interruption
- Re-opening of a temporarily closed branch in the same site
- Opening a new branch unrelated to a previous closure
- Location used by a Mobile Post Office within a community

We will display a poster in branch (or nearby if appropriate) to notify customers of the above changes, providing four weeks' notice. Where four weeks' notice is not possible, we will provide notice as soon as we are able to. For temporary closures we will include details of the nearest alternative Post Offices and our customer helpline/textphone.

We will **Engage** - where we are seeking feedback on a decision that has been made on:

- Re-opening of a temporarily closed branch in a new location (where the branch has been closed for more than three months)
- Franchising of a Directly Managed branch in its existing site

While the decision to proceed will have already been made, we will welcome suggestions about specific aspects of the change such as access arrangements and the internal layout. We will provide four weeks' notice or, where extenuating circumstances prevent this, we will provide as much notice as possible.

During this period we will display a poster in branch and provide information online. We will contact locally elected representatives<sup>2</sup>, the Consumer Advocacy Bodies and selected charities<sup>3</sup>, providing clear information on any changes to services or access arrangements at the branch. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.). We will publish the outcome of the engagement online and in branch, providing a summary of key issues raised with a clear response to each and any changes made to our original plans.

We will **Consult** - where we are seeking feedback on proposals prior to a decision being made on the:

- Permanent closure of a Post Office branch<sup>4</sup>
- Permanent relocation of a Post Office branch (including the franchising of a Directly Managed branch to a new site)

We will carry out a six-week<sup>5</sup> local public consultation, informing customers, locally elected representatives, Consumer Advocacy Bodies and selected charities of the proposal. This information will also be made available online and for a Directly Managed branch a press release will be issued to local media. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.).

The consultation will ask specific questions on areas where we would like feedback on access to Post Office services and will confirm when the change will happen if the decision is made to proceed. We will provide clear information on any changes to services as well as access to and into the new branch.

We welcome all feedback with the following factors being taken into account in making our decision, which we expect to make within four weeks of the close of consultation:

- Customer access to, into and inside the new or alternative branch/branches with particular regard to vulnerable consumers
- Any local community issues which could be affected by or affect the proposal

At the end of the consultation process we will write to locally elected representatives, Consumer Advocacy Bodies and respondents to the consultation (where practical) to confirm our decision and provide a summary of key issues raised with a clear response to each. This information will be made available online and in branch (where possible).

***These Principles have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.***

*What to do if you feel these Principles haven't been followed:*

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Citizens Advice Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

<sup>1</sup>We will provide an update to locally elected representatives if the status of the temporarily closed branch has not changed after 12 months.

<sup>2</sup> Locally elected representatives include but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Assembly, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council.

<sup>3</sup> Selected charities are local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. All parties referred to in 2 and 3 above are encouraged to share all information with local groups and organisations who they believe have an active interest in changes to their local Post Office.

<sup>4</sup> There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases the consultation will seek feedback on alternative Post Office service provision in the area.

<sup>5</sup> If the consultation includes more than four weeks in July in Scotland and Northern Ireland or more than four weeks in August in England and Wales we will extend the period by one calendar week. We will not start any local public consultation during the two-week period which includes the Christmas and New Year bank holidays.
