

Dear Customer

**Gretton Post Office®

Public Consultation – Branch Re-opening

I am writing to let you know that, in order to secure Post Office services to our customers in Gretton, we are introducing a Hosted Outreach service which will operate from Lydia's Coffee Shop, 30 High Street, Gretton, Corby, NN17 3DE.

The branch closed temporarily on 9 September 2017 due to the resignation of the Postmaster and the premises no longer being available for Post Office use. The establishment of an Outreach service presents the best possible solution to enable us to secure Post Office services in Gretton in the longer term.

I am therefore pleased to inform you that a nearby Postmaster (from Thrapston Post Office) has been identified, who will offer the service from Lydia's Coffee Shop, in Gretton. Full details of the proposed new service are provided at the end of this letter.

Consulting on the proposed changes

We're now starting a 6 week local public consultation and would like you to tell us what you think about the suitability of the new location and new service. Before we finalise our plans, we would really like to hear your views on the following areas:

- How suitable you think the new location and premises are and how easy it is to get there
- Are the new premises easy for you to get into and is the inside easily accessible
- Are there any other local community issues which you believe could be affected by or affect the change
- Is there anything we could do to make it easier for customers

If you have any comments or questions, please email or write to me via our Communication and Consultation team, whose contact details are below. Any information we receive will be considered as we finalise our plans for the new service. Please note that your comments will not be kept confidential unless you expressly ask us to do so by clearly marking them "In Confidence"

You can share your views on the change through our easy and convenient online questionnaire via the link below. When entering the site you can use the search function to find the consultation for this branch either by branch name, postcode or the unique branch code 328226.

Dates for the local public consultation:

Local Public Consultation starts	7 February 2018
Local Public Consultation ends	21 March 2018

In order to maintain a Post Office service to our customers in Gretton, the new service may commence on Friday 9 February 2018, during the consultation. However, this does not affect the period of public consultation which is ongoing until 21 March 2018.

We're carrying out this consultation in line with our Code of Practice. You can find more information about the Code at the end of this letter.

Thank you for considering this re-opening. We will inform our customers of the final decision by displaying a poster locally.

Yours faithfully

Code of Practice for changes to the Post Office® network

What's a Code of Practice?

The Code of Practice contains guidelines we follow. They tell us how, and when to tell you about changes to your local Post Office services. We've worked with the independent statutory consumer watchdog on these guidelines, which in Great Britain is Citizens Advice and Citizens Advice Scotland, and in Northern Ireland, the Consumer Council.

What kind of changes does it include?

Information about when we're planning to move or close one of our branches or outreach services. This also covers information about when a branch has suddenly closed unexpectedly because of something like a flood or fire.

Who do we tell about changes?

You and your representatives (who are often local MPs or local authorities and councils).

How will we tell you what's happening?

If there's a minor change – like changing opening times, then we'll let you know by putting up posters in the Post Office. If the plan is to move a Post Office then we'll put up posters and hand out letters in the branch as well as writing to your representatives. We'll have a press release and, the relevant information will be easy to find on our website.

How long will it take?

We'll let you know about any changes as soon as we possibly can. Sometimes, change is out of our control but we'll try to keep you as up-to-date about what's happening as much as we can. We try to make sure you have 4 weeks' notice before anything happens. If we're going to make big changes, there'll be a 'consultation period' which lasts about 6 weeks. This means that you've got time to let us know how you feel.

It's easy to let us know what you think...

We want to hear what you and your representatives think about change and to make sure it's easy for you to let us know, all of our contact details can be found on all our posters and letters. You can contact us by email, letter or 'phone.

How will you find out about the final plans?

We'll be letting you know in as many ways as possible. There'll be posters put up in or around your local area, letting you know what's going on. We'll also write to local representatives and, the information will be on our website.

If you let us know what you think, we'll make sure you know about our final plans either by writing to you, or having the information easily available in the Post Office or on our website.

What can you do if you think we haven't followed the Code of Practice?

If you don't think we've followed the Code, then please write to us or email us via the contact details included in this letter and let us know why.

To have a look at the full Code of Practice, it's on our website at www.postofficeviews.co.uk
