

Dear Customer

Hednesford Post Office®
Anglesey Street, Hednesford, Cannock, WS12 1AS

Local public consultation decision

I'm writing to confirm that following a period of local public consultation and review we have made the decision to proceed with the move of the above Post Office to High Street Convenience Store, 45 Market Street, Hednesford, Cannock, WS12 1AY. The new premises will incorporate Post Office services alongside their retail offer.

I would like to thank everyone who took the time to let us have their comments and provide information. All the feedback we received helped us to better understand the views of customers and their representatives and this was taken into account along with all other relevant factors, in making our decision. A summary of the feedback is enclosed along with an information sheet providing further details about the new branch.

The vacancy was advertised on our website www.runapostoffice.co.uk and only one applicant applied in the timeframe with the proposed premises so we were not able to look at other premises mentioned by customers being suitable.

After careful consideration of the feedback received, we remain confident that the layout and location of the new branch will continue to meet customer needs and deliver an excellent service, whilst securing the long-term viability of Post Office services in the local community.

The current branch will close at 16:00 on Friday 11 September 2020, with the new branch opening, at High Street Convenience Store at 13:00 on Monday 14 September 2020. If there are any unforeseen schedule changes which mean these dates change, posters will be displayed in branch to let customers know.

During transfer of the branch customers requiring Post Office facilities may use any convenient Post Office service. Details of two possible alternative Post Office branches are provided below for your convenience:

- Chademoor Post Office, 207-209 Cannock Road, Chads Moor, Cannock, WS11 5DD
- Wimblebury Post Office, 66-68 John Street, Cannock, WS12 2RJ

This information is also available on the Post Office Consultation Hub at:

We're carrying out this notification in line with our Principles of Community Engagement. A copy is available at the end of this letter.

Yours faithfully

Response to issues raised

Distance

The new premises are located approximately 220 metres from the current branch and I acknowledge for some customers this may mean having to cross the road which is on a one way system. In situations where the branch relocates, there will always be some customers who are more inconvenienced than others and I acknowledge for some customers this may mean a slightly longer journey, for which I apologise. Equally, as we know from feedback received there may be some customers for whom the new location is slightly closer than the current premises.

Parking

While I have considered the concerns raised about parking in the area surrounding the new location, it is fair to say that this is a problem faced generally in many locations nationwide. As I am sure you will understand the availability of parking spaces is outside the direct control of Post Office Limited. However I have conducted a further review of parking and I can confirm there are timed restricted parking bays opposite the new premises and further along Market Street. There is also a public car park with free two hour stay 220 metres away. I am therefore satisfied that parking at the new branch will continue to meet the needs of customers using the Post Office.

Space, Counters and Queues

We have worked closely with the postmaster to plan the interior layout of the Post Office counters area, to ensure optimum use of the space within the store and that access into and inside the store is kept clear and free of obstacles. This will ensure the Post Office counter area is easily accessible and customers including wheelchair users have sufficient space to move around the store.

There will be three serving positions, which will be a mixture of one screened position, one open plan position and a Post Office serving point provided for use at the retail counter and available during shop opening hours. Customers will also benefit from an additional one hour longer opening on Saturday afternoon.

Post Offices are designated an essential service, providing a unique service for a range of necessary activities and we are following the governments guidance on social distancing to support the safety of our staff and customers. As the situation changes we continue to update staff and customers with practical instructions to allow them to stay safe whilst serving the needs of their communities. We remain committed to providing essential services to our communities whilst keeping our colleagues and customers safe.

Staff

The new postmaster is an experienced postmaster and the staff handling Post Office transactions will be fully trained in Post Office transactions and to the same professional high standard as in all our branches. Their training will include areas such as Data Protection, Mail Handling and the need to respect customer privacy and confidentiality.

Principles of Community Engagement on changes to the Post Office network

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Notify** - where we are informing customers of changes around:

- Opening hours
- Temporary closure¹/ temporary service interruption
- Re-opening of a temporarily closed branch in the same site
- Opening a new branch unrelated to a previous closure
- Location used by a Mobile Post Office within a community

We will display a poster in branch (or nearby if appropriate) to notify customers of the above changes, providing four weeks' notice. Where four weeks' notice is not possible, we will provide notice as soon as we are able to. For temporary closures we will include details of the nearest alternative Post Offices and our customer helpline/textphone.

We will **Engage** - where we are seeking feedback on a decision that has been made on:

- Re-opening of a temporarily closed branch in a new location (where the branch has been closed for more than three months)
- Franchising of a Directly Managed branch in its existing site

While the decision to proceed will have already been made, we will welcome suggestions about specific aspects of the change such as access arrangements and the internal layout. We will provide four weeks' notice or, where extenuating circumstances prevent this, we will provide as much notice as possible.

During this period we will display a poster in branch and provide information online. We will contact locally elected representatives², the Consumer Advocacy Bodies and selected charities³, providing clear information on any changes to services or access arrangements at the branch. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.). We will publish the outcome of the engagement online and in branch, providing a summary of key issues raised with a clear response to each and any changes made to our original plans.

We will **Consult** - where we are seeking feedback on proposals prior to a decision being made on the:

- Permanent closure of a Post Office branch⁴
- Permanent relocation of a Post Office branch (including the franchising of a Directly Managed branch to a new site)

We will carry out a six-week⁵ local public consultation, informing customers, locally elected representatives, Consumer Advocacy Bodies and selected charities of the proposal. This information will also be made available online and for a Directly Managed branch a press release will be issued to local media. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.).

The consultation will ask specific questions on areas where we would like feedback on access to Post Office services and will confirm when the change will happen if the decision is made to proceed. We will provide clear information on any changes to services as well as access to and into the new branch.

We welcome all feedback with the following factors being taken into account in making our decision, which we expect to make within four weeks of the close of consultation:

- Customer access to, into and inside the new or alternative branch/branches with particular regard to vulnerable consumers
- Any local community issues which could be affected by or affect the proposal

At the end of the consultation process we will write to locally elected representatives, Consumer Advocacy Bodies and respondents to the consultation (where practical) to confirm our decision and provide a summary of key issues raised with a clear response to each. This information will be made available online and in branch (where possible).

These Principles have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Citizens Advice Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

¹We will provide an update to locally elected representatives if the status of the temporarily closed branch has not changed after 12 months.

² Locally elected representatives include but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Assembly, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council.

³ Selected charities are local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. All parties referred to in 2 and 3 above are encouraged to share all information with local groups and organisations who they believe have an active interest in changes to their local Post Office.

⁴ There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases the consultation will seek feedback on alternative Post Office service provision in the area.

⁵ If the consultation includes more than four weeks in July in Scotland and Northern Ireland or more than four weeks in August in England and Wales we will extend the period by one calendar week. We will not start any local public consultation during the two-week period which includes the Christmas and New Year bank holidays.
