

Dear customer

Local public consultation - Have your say

Hemel Hempstead Post Office
WHSmith, 181-183 The Marlowes, Hemel Hempstead, HP1 1BD

We are moving the above Post Office branch to a new location – Unit 1, 160 Marlowes, Hemel Hempstead, HP1 1BA.

Why are we moving?

Unfortunately as you may be aware, our partners lease for the current premises is due to expire and the premises will no longer be available for Post Office use after Thursday 26 May 2022 at 17:30. Subsequently, in order to secure a Post Office service to our customers in the local area, I am pleased to advise that we have identified a new postmaster who will operate a Post Office service from a new premises. The new premises are currently empty and will undergo a full refurbishment to incorporate Hemel Hempstead Post Office and a conveniences store.

The new branch is scheduled to open on Tuesday 28 June 2022 at 12:00. Our priority is to safeguard Post Office services to the local community in the longer term and the relocation of Hemel Hempstead Post Office will enable us to maintain a Post Office service to our customers in the local community.

During transfer of the branch customers requiring Post Office facilities may use any convenient Post Office service. Details of two alternative Post Office branches are provided below for your convenience:

- Adeyfield Post Office, 44 The Queens Square, Hemel Hempstead, HP2 4EP
- Highfield Post Office, 3-4 Bellgate, Highfield, Hemel Hempstead, HP2 5SB

We'd like your help

Whilst the decision has already been made to move the branch, we would still like your views on access and the service offered at the new location. Therefore, we're now commencing a local public consultation and before we finalise our plans would like to hear your views. For more details of the new Post Office and accessibility, please see the branch information summary later in this consultation document.

What exactly are we consulting on?

We'd welcome your comments on the following areas:

- **Are the new premises easy for you to get into and is the inside easily accessible?**
- **Are there any other local community issues which you believe could be affected by or affect the change?**
- **Is there anything we could do to make it easier for customers?**

Please note the new change of management of the branch is a decision for Post Office Ltd and therefore we are not seeking feedback on this aspect of the change.

Good to know

- Customers will access Post Office services in a modern, open-plan environment alongside the operator's retail.
- Working with the postmaster, we'd adapt the current store layout, fixtures and fittings to accommodate the Post Office. It will be in a dedicated area of the store with two screened positions.
- We'd also add a low-screened, modern Post Office till at the retail counter offering most Post Office products and services over longer opening hours, so customers can access their Post Office when it's convenient. Customer satisfaction with this style of branch is high.
- All staff employed to work in the new branch will be trained to the highest standards with on-going training on products and services, as well as operational and service related matters.
- Posters and leaflets will now be displayed in the current branch to let customers know about the changes and to ask their views.
- Any information we receive will be carefully considered as we finalise our plans.
- If you are a local representative, we will write to you again at the end of the consultation to respond to the main issues raised and to explain our final plans for the branch.
- This consultation is being carried out in line with our Principles of Community Engagement which have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland - the independent statutory consumer watchdogs. An extract relating to consultation is available at the end of this letter.

If you are a local representative, it would be helpful if you could share this information through your social media channels and with any local groups or organisations that you know within the community, for example on noticeboards, local charities and in GP surgeries, to help our customers and your constituents understand what is happening to Hemel Hempstead Post Office. If you would like a supply of posters, please let us know. Our contact details can be found at the top of this page.

Yours faithfully

Principles of Community Engagement on changes to the Post Office network (extract)

A full version of this document is available on our Consultation Hub - (postofficeviews.co.uk)

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following principles will be adopted when communicating about changes to your local Post Office branch.

We will **Consult** where we are seeking feedback on proposals prior to a decision being made on the:

- Permanent closure of a Post Office branch¹
- Permanent relocation of a Post Office branch (including the franchising of a Directly Managed branch to a new site)

We will carry out a six-week² local public consultation, informing customers, locally elected representatives³, Consumer Advocacy Bodies and selected charities⁴ of the proposal. This information will also be made available online and for a Directly Managed branch a press release will be issued to local media. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.).

The consultation will ask specific questions on areas where we would like feedback on access to Post Office services and will confirm when the change will happen if the decision is made to proceed. We will provide clear information on any changes to services as well as access to and into the new branch.

We welcome all feedback with the following factors being taken into account in making our decision, which we expect to make within four weeks of the close of consultation:

- Customer access to, into and inside the new or alternative branch/branches with particular regard to vulnerable consumers
- Any local community issues which could be affected by or affect the proposal

At the end of the consultation process we will write to locally elected representatives, Consumer Advocacy Bodies and respondents to the consultation (where practical) to confirm our decision and provide a summary of key issues raised with a clear response to each. This information will be made available online and in branch (where possible).

These Principles have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Citizens Advice Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

¹ There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases, the consultation will seek feedback on alternative Post Office service provision in the area.

² If the consultation includes more than four weeks in July in Scotland and Northern Ireland or more than four weeks in August in England and Wales, we will extend the period by one calendar week. We will not start any local public consultation during the two-week period which includes the Christmas and New Year bank holidays.

³ Locally elected representatives include but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Parliament, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council.

⁴ Selected charities are local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. All parties referred to in 3 and 4 above are encouraged to share all information with local groups and organisations who they believe have an active interest in changes to their local Post Office.
