

### **Hemingford Grey Mobile Service**

We recently asked your views on some key areas about our plans to restore a Post Office service to the local community in Girton.

We didn't receive any responses and we are pleased to let you know that we have introduced a permanent Mobile van Post Office service in Girton.

At the Post Office we are continually looking to refresh our network and ensure we meet our customer needs. We are pleased to let you know that we are also introduced a new Mobile Post Office service to the community in Offord Cluny.

To accommodate the new Mobile services, we have made some minor changes to the opening hours of the Mobile Post Office services at Holme and Over.

We are pleased to inform you that the Postmaster from Hemingford Grey Post Office is operating the Mobile services, which presents the best possible solution to restore Post Office services to the local communities. These changes took effect from Friday 3 December 2021.

We will continue to review and monitor services on an on-going basis, and should customer usage increase significantly, consideration would be given to adjusting service times accordingly.

We do hope that you will enjoy using the new Post Office services.
