Dear Customer,

Service Reopening

Horwich End Post Office
Buxton Road, Whaley Bridge, High Peak, SK23 7HX

We are delighted to let you know that, ahead of the closure of the above branch, we will be restoring Post Office services to Horwich End on Monday 02 November 2026 at 13:00.

The service will be operated from the same premises by an interim postmaster and will offer the same range of Post Office services. Full details of the service are provided at the end of this letter.

I know that the local community will join me in welcoming this good news and hope that you and our customers will continue to use this service. If you are a local representative, please feel free to share this information through your social media channels and with any local groups or organisations that you know within the community for example on noticeboards, local charities and in GP surgeries, to help our customers and your constituents understand what is happening to the Post Office in the local community. If you would like a supply of posters, please let us know.

If you have any questions about the new service, please contact the National Consultation Team, as detailed below. Please note that your comments will not be kept confidential unless you expressly ask us to do so by clearly marking them “In Confidence”.

We’re carrying out this notification in line with our Principles of Community. An extract relating to Notification is available at the end of this letter.

Thank you for your support in restoring a Post Office service.

Yours faithfully,

David Woodhead

Principles of Community Engagement on changes to the Post Office network (extract)

A full version of this document is available on our Consultation Hub - postofficeviews.co.uk

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will ***Notify*** *- where we are informing customers of changes around:*

- Opening hours
- Unplanned closure[1]/ planned service interruption
- Re-opening of a closed branch in the same site
- Opening a new branch unrelated to a previous closure
- Location used by a Mobile Post Office within a community
- Franchising of a Directly Managed branch in its existing site where there are no changes to access to the Post Office serving point

We will display a poster in branch (or nearby if appropriate) to notify customers of the above changes, aiming to provide four weeks' notice. Four weeks' notice may not be possible for an unplanned change, and in these instances, we will provide notice as soon as we are able to. For closures we will include details of the nearest alternative Post Offices and our customer helpline/textphone.

We notify locally elected representatives including but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Parliament, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council, selected charities, local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. They are also encouraged to share all information additionally with local groups and organisations who they believe have an active interest in changes to their local Post Office.

These Principles have been agreed with Citizens Advice, Consumer Scotland and the General Consumer Council for Northern Ireland, the independent statutory consumer advocacy bodies.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer advocacy body (Citizens Advice, Consumer Scotland, or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The consumer advocacy body will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

[1]Where the closure is unplanned, the service provision in the area will be reviewed based on current usage, modelling and availability of any suitable replacement or alternative service model. A commercial decision will be made if to actively seek to replace the closed service and will not be subject to public consultation.
