

Dear Customer

Kimberworth Post Office®
125 Church Street, Kimberworth, Rotherham, S61 1HA

We're writing to let you know that we're changing the above Post Office to one of our local style branches.

We are pleased to inform you, that your local style Post Office branch will commence operating at this location from Friday 3 April 2020.

The branch will continue to operate: Monday to Friday 08:00 – 17:30 and Saturday & Sunday 09:00 – 14:30, so customers can access their Post Office when it's convenient. Customer satisfaction with local style branches stands at 96 per cent, and nearly 20 per cent of local branch customers visit outside traditional opening hours.

We are changing the range of products which will be available when the Post Office branch converts. Customers will still be able to transact manual banking, Royal Mail and Parcelforce Worldwide International parcels. Additionally cheques will continue to be accepted as a method of payment.

Customers will still be able to get most of the Post Office products and services they are used to, however for a small number of services they may need to go on-line, telephone our customer helpline or visit an alternative Post Office.

Comprehensive range of Travel Money and On Demand Travel Insurance will not be available at this branch, however will be available at the Rotherham Post Office, Wincobank Post Office, Wellgate Post Office, Middle Lane Post Office, Brinsworth Post Office and Broom Lane Post Office.

For information about product availability call 03457 22 33 44 or for details of maximum value of transactions please speak to the branch operator. Customers can also shop online at www.postoffice.co.uk

The branch will also undergo a refurbishment and the safety of our customers is of paramount importance to us. Therefore, to allow for the refurbishments to take place, it will be necessary for the service to close, temporarily, on Monday 27 April 2020 at 17:30. It is envisaged that the work will take approximately 2 weeks to complete, following which the service will re-open on Wednesday 6 May 2020 at 13:00.

If there are any unforeseen schedule changes which mean these dates change, posters will be displayed in branch to let customers know.

Customers would access Post Office services at two low-screened, open-plan, modern serving points that's part of the retail counter. Working with the postmaster, we'd adapt the current store layout, fixtures and fittings to accommodate the Post Office till if needed.

During the temporary branch closure, customers requiring Post Office facilities may use any convenient Post Office service. Details of two alternative Post Office branches are provided at the end of the letter.

Full details of the new service are provided at the end of this letter.

Customers will benefit from the following facilities:

- A modern open plan branch
- Same Post Office opening hours
- A wide range of Post Office products and services

Posters will now be displayed in branch so customers are aware of the change.

I know that the local community will join me in welcoming this good news and hope that you and our customers will continue to use the branch. Please feel free to share this information with those in your organisation who you feel would have an active interest in this particular matter.

We're carrying out this notification in line with our Principles of Community Engagement. A copy is available at the end of this letter.

Thank you for your support and we do hope that you and our customers will continue to use the service and support your new style Post Office branch.

Yours faithfully

Richard Z Clark

Principles of Community Engagement on changes to the Post Office network

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Notify** - where we are informing customers of changes around:

- Opening hours
- Temporary closure¹/ temporary service interruption
- Re-opening of a temporarily closed branch in the same site
- Opening a new branch unrelated to a previous closure
- Location used by a Mobile Post Office within a community

We will display a poster in branch (or nearby if appropriate) to notify customers of the above changes, providing four weeks' notice. Where four weeks' notice is not possible, we will provide notice as soon as we are able to. For temporary closures we will include details of the nearest alternative Post Offices and our customer helpline/textphone.

We will **Engage** - where we are seeking feedback on a decision that has been made on:

- Re-opening of a temporarily closed branch in a new location (where the branch has been closed for more than three months)
- Franchising of a Directly Managed branch in its existing site

While the decision to proceed will have already been made, we will welcome suggestions about specific aspects of the change such as access arrangements and the internal layout. We will provide four weeks' notice or, where extenuating circumstances prevent this, we will provide as much notice as possible.

During this period we will display a poster in branch and provide information online. We will contact locally elected representatives², the Consumer Advocacy Bodies and selected charities³, providing clear information on any changes to services or access arrangements at the branch. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.). We will publish the outcome of the engagement online and in branch, providing a summary of key issues raised with a clear response to each and any changes made to our original plans.

We will **Consult** - where we are seeking feedback on proposals prior to a decision being made on the:

- Permanent closure of a Post Office branch⁴
- Permanent relocation of a Post Office branch (including the franchising of a Directly Managed branch to a new site)

We will carry out a six-week⁵ local public consultation, informing customers, locally elected representatives, Consumer Advocacy Bodies and selected charities of the proposal. This information will also be made available online and for a Directly Managed branch a press release will be issued to local media. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.).

The consultation will ask specific questions on areas where we would like feedback on access to Post Office services and will confirm when the change will happen if the decision is made to proceed. We will provide clear information on any changes to services as well as access to and into the new branch.

We welcome all feedback with the following factors being taken into account in making our decision, which we expect to make within four weeks of the close of consultation:

- Customer access to, into and inside the new or alternative branch/branches with particular regard to vulnerable consumers
- Any local community issues which could be affected by or affect the proposal

At the end of the consultation process we will write to locally elected representatives, Consumer Advocacy Bodies and respondents to the consultation (where practical) to confirm our decision and provide a summary of key issues raised with a clear response to each. This information will be made available online and in branch (where possible).

These Principles have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Citizens Advice Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

¹We will provide an update to locally elected representatives if the status of the temporarily closed branch has not changed after 12 months.

² Locally elected representatives include but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Assembly, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council.

³ Selected charities are local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. All parties referred to in 2 and 3 above are encouraged to share all information with local groups and organisations who they believe have an active interest in changes to their local Post Office.

⁴ There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases the consultation will seek feedback on alternative Post Office service provision in the area.

⁵ If the consultation includes more than four weeks in July in Scotland and Northern Ireland or more than four weeks in August in England and Wales we will extend the period by one calendar week. We will not start any local public consultation during the two-week period which includes the Christmas and New Year bank holidays.
