Dear «u_name»

Letham Post Office®
Previously located at - 217-219 Rannoch Road, Perth, PH1 2DP

Local public consultation decision

I'm writing to confirm that we will be proceeding with our proposal to re-open the above Post Office branch at Best One, 59 Jeanfield Road, Perth, PH1 1NZ, where it will be operated by a retail partner. The new branch will also be known as Jeanfield Road Post Office.

I would like to thank everyone who took the time to let us have their comments and provide information. All the feedback we received helped us to better understand the views of customers and their representatives and this was taken into account along with all other relevant factors, in making our decision. A summary of the feedback is enclosed along with an information sheet providing further details about the new branch.

After careful consideration of the feedback received, we remain confident that the layout and location of the new branch will continue to meet customer needs and deliver an excellent service, whilst securing the long-term viability of Post Office services in the local community.

The new branch will open at Best One, 59 Jeanfield Road, at 13:00 on Thursday 25 October 2018. If there are any unforeseen schedule changes which mean these dates change, posters will be displayed in branch to let customers know.

This information is also available on the Post Office Consultation Hub at:
postofficeviews.co.uk

Yours sincerely

Robert Sharp

Appendix A

Response to Local Public Consultation

Consultation started - 21 June 2018

Consultation ended - 2 August 2018

Consultation responses

- 9 responses from customers

Meetings

Post Office representatives met with Peter Wishart MP.

Key issues raised

- Distance to the new location
- Parking
- Access into the new premises and space inside

Response to issues raised

- Distance

It may be helpful to explain that since the closure of the previous branch we have been searching for a viable and sustainable location for the Post Office in Letham. We recognise that the new branch is 0.8 Miles away from the previous location and that for some customers this may involve a longer and more inconvenient journey, for which we apologise; unfortunately a suitable business partner in the immediate vicinity of the previous branch has not been found. However, this new branch will allow us to restore Post Office services to the local community.

- Parking

While I have considered the concerns raised about parking in the area surrounding the new location, it is fair to say that this is a problem faced generally in many locations nationwide. As I am sure you will understand the availability of parking spaces is outside the direct control of Post Office Limited. However, I have conducted a further review of parking and I can confirm there is roadside parking available on Jeanfield Road and also on nearby side roads. There is also a designated customer car park directly beside the new premises. I am therefore satisfied that parking at the new branch will continue to meet the needs of customers using the Post Office.

- Access and Space inside

We understand that the Post Office plays an important part in the lives of customers, and we want to make our services as accessible as possible. Currently, the new premises has a wide automatic door and steps with a handrail at the entrance. However the new operator will be installing a permanent ramp at the entrance. Inside, the new branch will be in line with Post Office specifications, making sure there is sufficient space for the Post Office to operate alongside the retail offer. We will be working closely with the new operator on the internal layout and some fixtures and fittings will be re-aligned or removed to make sure there is there is clear access into the premises. Aisles and the queuing area will be kept free from obstructions and adequate room will be provided for customers and a wheelchair to move around the shop and access Post Office services without difficulty.

Principles of Community Engagement on changes to the Post Office network

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Notify** - where we are informing customers of changes around:

- Opening hours
- Temporary closure¹/ temporary service interruption
- Re-opening of a temporarily closed branch in the same site
- Opening a new branch unrelated to a previous closure
- Location used by a Mobile Post Office within a community

We will display a poster in branch (or nearby if appropriate) to notify customers of the above changes, providing four weeks' notice. Where four weeks' notice is not possible, we will provide notice as soon as we are able to. For temporary closures we will include details of the nearest alternative Post Offices and our customer helpline/textphone.

We will **Engage** - where we are seeking feedback on a decision that has been made on:

- Re-opening of a temporarily closed branch in a new location (where the branch has been closed for more than three months)
- Franchising of a Directly Managed branch in its existing site

While the decision to proceed will have already been made, we will welcome suggestions about specific aspects of the change such as access arrangements and the internal layout. We will provide four weeks' notice or, where extenuating circumstances prevent this, we will provide as much notice as possible.

During this period we will display a poster in branch and provide information online. We will contact locally elected representatives², the Consumer Advocacy Bodies and selected charities³, providing clear information on any changes to services or access arrangements at the branch. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.). We will publish the outcome of the engagement online and in branch, providing a summary of key issues raised with a clear response to each and any changes made to our original plans.

We will **Consult** - where we are seeking feedback on proposals prior to a decision being made on the:

- Permanent closure of a Post Office branch⁴
- Permanent relocation of a Post Office branch (including the franchising of a Directly Managed branch to a new site)

We will carry out a six-week⁵ local public consultation, informing customers, locally elected representatives, Consumer Advocacy Bodies and selected charities of the proposal. This information will also be made available online and for a Directly Managed branch a press release will be issued to local media. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.).

The consultation will ask specific questions on areas where we would like feedback on access to Post Office services and will confirm when the change will happen if the decision is made to proceed. We will provide clear information on any changes to services as well as access to and into the new branch.

We welcome all feedback with the following factors being taken into account in making our decision, which we expect to make within four weeks of the close of consultation:

- Customer access to, into and inside the new or alternative branch/branches with particular regard to vulnerable consumers
- Any local community issues which could be affected by or affect the proposal

At the end of the consultation process we will write to locally elected representatives, Consumer Advocacy Bodies and respondents to the consultation (where practical) to confirm our decision and provide a summary of key issues raised with a clear response to each. This information will be made available online and in branch (where possible).

These Principles have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Citizens Advice Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

¹We will provide an update to locally elected representatives if the status of the temporarily closed branch has not changed after 12 months.

² Locally elected representatives include but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Assembly, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council.

³ Selected charities are local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. All parties referred to in 2 and 3 above are encouraged to share all information with local groups and organisations who they believe have an active interest in changes to their local Post Office.

⁴ There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases the consultation will seek feedback on alternative Post Office service provision in the area.

⁵ If the consultation includes more than four weeks in July in Scotland and Northern Ireland or more than four weeks in August in England and Wales we will extend the period by one calendar week. We will not start any local public consultation during the two-week period which includes the Christmas and New Year bank holidays.
