

Dear Customer

**Letham Post Office®**  
**Previously located at - 217-219 Rannoch Road, Perth, PH1 2DP**

**Local public consultation**

We are proposing to re-open the above Post Office branch at a new location – Best One, 59 Jeanfield Road, Perth, PH1 1NZ and change it to one of our new local style branches. The new branch will also be known as Jeanfield Road Post Office. The previous branch closed temporarily in March 2018 following the withdrawal of premises for Post Office use. We are now in a position to restore a service to our customers in the local community and the establishment of a new local style branch presents the best possible solution in the area.

**Why are we moving?**

We're proposing this move as part of the ongoing modernisation of our branch network. Over the last five years we have transformed over 7,500 branches so more customers can access Post Office products and services in a modern and friendly environment, often over longer hours including Sundays. We are confident that introducing a local style branch alongside a successful retail store is the most effective way to safeguard sustainable Post Office services in the local community into the future.

**Your new Post Office branch**

Customers would access Post Office services at a low-screened, open-plan, modern serving point that's part of the retail counter. Working with the operator, we'd adapt the current store layout, fixtures and fittings to accommodate the Post Office till if needed. The branch will offer a wide range of Post Office products and services over longer opening hours, so customers can access their Post Office when it's convenient. Customer satisfaction with local style branches stands at 96 per cent, and nearly 20 per cent of local branch customers visit outside traditional opening hours.

**Consulting on the proposed new location**

In order to restore a Post Office service to our customers as quickly as possible, the new branch will open during consultation on Thursday 19 July 2018, however we would still like your views on the service offer at the new location. We are now starting a 6 week local public consultation and would like you to tell us what you think about the suitability of the new location, particularly on the following areas:

- How easy it is to get to the new location?
- Are the new premises easy for you to get into and is the inside easily accessible?
- Are there any other local community issues affected by the move?
- Is there anything we could do to make it easier for customers?

I've enclosed an information sheet that provides more details about the new location and the range of products that will be available. If you have any comments or questions, please email or write to me via our National Consultation team, whose contact details are below. Any information we receive will be considered as we finalise our plans for the new branch.

You can share your views on the proposed change through our easy and convenient online questionnaire via the link below. When entering the site you can use the search function to find the consultation for this branch either by branch name, postcode or the unique branch code 225820

[postofficeviews.co.uk](http://postofficeviews.co.uk)

**Dates for local public consultation:**

Local Public Consultation starts	21 June 2018
Local Public Consultation ends	2 August 2018
Date of change	19 July 2018

Although the new branch will open on Thursday 19 July 2018, this does not affect the period of public consultation which is ongoing until 2 August 2018.

I've included information about the Code of Practice over the page and a copy of the Code will also be available to view in the branch.

Thank you for considering our proposal. At the end of the consultation we'll let you know our final plans by displaying a poster in Usaverstores Ltd.

Yours faithfully

*Robert Sharp*

## **Code of Practice for changes to the Post Office® network**

### **What's a Code of Practice?**

The Code of Practice contains guidelines we follow. They tell us how, and when to tell you about changes to your local Post Office services. We've worked with the independent statutory consumer watchdog on these guidelines, which in Great Britain is Citizens Advice and Citizens Advice Scotland, and in Northern Ireland, the Consumer Council.

### **What kind of changes does it include?**

Information about when we're planning to move or close one of our branches or outreach services. This also covers information about when a branch has suddenly closed unexpectedly because of something like a flood or fire.

### **Who do we tell about changes?**

You and your representatives (who are often local MPs or local authorities and councils).

### **How will we tell you what's happening?**

If there's a minor change – like changing opening times, then we'll let you know by putting up posters in the Post Office. If the plan is to move a Post Office then we'll put up posters and hand out letters in the branch as well as writing to your representatives. We'll have a press release and, the relevant information will be easy to find on our website.

### **How long will it take?**

We'll let you know about any changes as soon as we possibly can. Sometimes, change is out of our control but we'll try to keep you as up-to-date about what's happening as much as we can. We try to make sure you have 4 weeks' notice before anything happens. If we're going to make big changes, there'll be a 'consultation period' which lasts about 6 weeks. This means that you've got time to let us know how you feel.

### **It's easy to let us know what you think...**

We want to hear what you and your representatives think about change and to make sure it's easy for you to let us know, all of our contact details can be found on all our posters and letters. You can contact us by email, letter or 'phone.

### **How will you find out about the final plans?**

We'll be letting you know in as many ways as possible. There'll be posters put up in or around your local area, letting you know what's going on. We'll also write to local representatives and, the information will be on our website.

If you let us know what you think, we'll make sure you know about our final plans either by writing to you, or having the information easily available in the Post Office or on our website.

### **What can you do if you think we haven't followed the Code of Practice?**

If you don't think we've followed the Code, then please write to us or email us via the contact details included in this letter and let us know why.

To have a look at the full Code of Practice, it's on our website at [www.postofficeviews.co.uk](http://www.postofficeviews.co.uk)
