

Dear Sir/Madam

**Local Public Consultation Decision**

I'm writing to confirm that we will be proceeding with our proposal to move the above Post Office branch to Llandybie Memorial Hall, Llandybie, Ammanford, SA18 3UR, where it will operate as one of our new local style Post Office branches.

We received 2 individual responses from local representatives during the consultation period. The feedback welcomed the proposed parking facilities and longer opening hours the new premises would provide.

I have carried out a final review of our original proposal and the feedback received during the local public consultation period. I was pleased to learn of the positive feedback and we are also delighted that this branch is part of the modernisation plans for our network, offering Post Office services that will meet customer needs whilst helping to provide long term viability and future sustainability.

We recognise that the Post Office plays an important part in the lives of customers, particularly to older and disabled customers and we want to make our services as accessible as possible. Access at the new premises is level inside, the new branch will be in line with Post Office specifications, making sure there is sufficient space for the new style local Post Office.

I am confident that the new branch is suitably located and that this new way of offering Post Office services will meet customer needs, whilst helping to maintain a Post Office service in Llandybie and provide future sustainability for the branch. I am therefore confident that this is the correct course of action to take.

Full details of the new branch are provided at the end of this letter together with a list of the products and services which will be available.

Posters will now be displayed in branch to let customers know about this decision. The new post office opened on 20 August 2018.

Thank you for considering our proposal.

Yours faithfully
