

Dear Customer

Mancetter Post Office®
Manor Road, Atherstone, CV9 1NS

Changes to your Post Office® - tell us what you think

We're talking to the postmaster about making some changes to the above Post Office to one of our new-style local branches. We'd like you to tell us what you think about the changes before we finalise our plans.

We're planning this change as part of the ongoing modernisation of our branch network. Over the last five years we have transformed over 7,500 branches so more customers can access Post Office products and services in a modern and friendly environment, often over longer hours including Sundays. We are confident that introducing a local style branch alongside a successful retail store is the most effective way to safeguard sustainable Post Office services in the Mancetter community into the future.

Your new Post Office branch

Customers would access Post Office services at a low-screened, open-plan, modern serving point that's part of the retail counter. Working with the postmaster, we'd adapt the current store layout, fixtures and fittings to accommodate the Post Office till if needed. The branch will offer a wide range of Post Office products and services over longer opening hours, so customers can access their Post Office when it's convenient. Customer satisfaction with local style branches stands at 96 per cent, and nearly 20 per cent of local branch customers visit outside traditional opening hours.

The branch would be open for longer: Mon – Sat 08:00 – 18:00 and Sun 09:00 – 16:00. You'll still be able to get most of the Post Office products and services you're used to however for a small number of services you may need to go on-line, telephone our customer helpline or visit an alternative Post Office. Details of product availability are provided overleaf.

To make the changes to the Post Office, we will need to close on Thursday 12 April 2018 at 17:30. Your new-look Post Office is scheduled to open at the current location on Tuesday 1 May 2018 at 13:00. During this temporary closure the following branch will be happy to provide customers with Post Office services. Should these dates change, posters will be displayed in branch to let customers know.

The following branch will be happy to provide customers with Post Office services during this period.

- Nuneaton Post Office, 38-39 Abbey Gate Shopping Precinct, Nuneaton, CV11 4HL
- Coleshill Road Post Office, 90 Coleshill Road, Atherstone, CV9 2AF

What's next?

We want to know what's important to you and would like you to tell us what you think, particularly on the following areas:

- Why you use this Post Office and what you like about it?
- What you think about the proposed new-look Post Office?
For example the Post Office service point would be on the retail counter, so is there anything you'd like to ask us or would like us to take into consideration about the proposed location of the Post Office till; the queuing area or access to services inside the premises.
- What you think about any changes to the opening hours?
- If you have any comments about the change to the range of Post Office products and services at the branch if the change goes ahead?
- If you have any comments about the potential closure period during the refurbishment or access to other branches in the area?

There's also a list of frequently asked questions provided at the end which you may find useful.

It's easy to let us have your feedback by completing our convenient on-line survey via the following link postofficeviews.co.uk and using the search function either by entering branch name, postcode or the unique branch code 277205

FREEPOST Your Comments

This is all you need to add to your envelope for your letter to reach us

Customer Helpline: 03452 66 01 15

Textphone: 03457 22 33 55

Please note that items sent by Freepost take 2 working days to arrive and don't include Saturday or Sunday. Therefore please do allow sufficient time for your comments to arrive before the end of the consultation period, as we are unable to consider feedback received after the deadline.

All of the responses received will also be provided to the independent statutory consumer watchdog, which in Great Britain is Citizens Advice and Citizens Advice Scotland, and in Northern Ireland, the Consumer Council.

When would the changes happen?

Once the final decisions have been taken, we'll display a poster in branch to let you know the final plans. There will also be an information leaflet available in branch at the same time, outlining the main comments received and our response.

We'll also be asking you for further feedback once the changes have taken place and details will be available in your new-look branch shortly after it opens.

Yours faithfully

Bev Lumb

Frequently Asked Questions.

Why are you looking to make this change?

This change is part of major programme of modernisation taking place across the Post Office network, the largest in the history of Post Office Limited. The Programme is underpinned by Government investment which will see up to 8,000 branches modernised and additional investment in up to 3,000 community and outreach branches.

Will my transactions still be private?

In most cases Post Office and shop customers queue together but the Post Office service point will be clearly signed. A low level serving screen helps to aid privacy and there would be enough space for people to wait back from those being served. Post Office training also covers the protection of confidential information and personal data.

What about security?

We can't go into detail about specific security arrangements in order to safeguard those people working at and using Post Office branches but there would continue to be appropriate security measures in place, as well as robust procedures and guidelines which postmasters and their staff are required to follow. All of which helps contribute to a secure environment.

Will people still be properly trained?

Our customers deserve to receive the best possible service. Post Office training packages are provided to postmasters so that any person they employ who would be handling Post Office transactions is trained to Post Office standards, just as you'd expect.

Will there be enough space?

To make sure any changes meet with Post Office accessibility standards, an assessment is carried out on what the proposed layout might look like following conversion. This includes having space to wait for service, adequate turning circle space for wheelchair users where appropriate and keeping entrance areas and shopping aisles free of any obstructions, so people have a clear access route to the Post Office service point.

Can I see the floorplans?

The feedback we get from customers and local representatives helps us to deliver the change with the postmaster, including the final layout. Once the change takes place, will be asking customers for their feedback on how they are finding their new style service.

Will I have to wait longer to be served?

The new style branch is designed to handle straightforward transactions which can be carried out quickly and efficiently. Post Office services will also be available whenever the shop is open so customers can choose to visit the branch at a time more convenient to them.

Will I still be able to do business banking?

Staff at the branch will be happy to speak to customers about their individual requirements and transaction limits for their specific transaction.

Will I still be able to leave my mail securely?

Mail will be held safely at the branch ready for collection by Royal Mail.
