Response to key points:

Parking and designated disabled parking

We are pleased to let you know that there are five parking bays outside the new premises including 3 designated disabled bays and further roadside parking is available nearby.

Access into the new premises

We are mindful of the needs of all our customers, including those with mobility concerns and confirm the new branch will have level access with wide double doors at the entrance. Internally, there will be a hearing loop and space for a wheelchair.

Internal layout

We have worked closely with our new operator to make sure there is sufficient space for Post Office customers, including wheelchair users, so that they can move around the store and reach the Post Office area easily. Some internal adjustments to fixtures and fittings have been made to accommodate this.

Post Office opening hours

Monday - Saturday	07:00 – 18:00
Sunday	07:00 – 12:00

We do hope that you will enjoy using the new Post Office.
