

Dear Customer

Changes to Marske by the Sea Mobile Service

We are introducing a Mobile Post Office service to the community in Crathorne. Due to operational reasons, this branch will be closing temporarily on Friday 28 October 2022 at 13:00.

In the interim, to serve the local community with continued access to Post Office services we will set up a temporary Mobile Post Office service, whilst we continue to seek a permanent solution.

We are pleased to inform to you that the postmaster from Marske by the Sea Post Office who currently operates a Mobile service in the area, will be extending the Mobile service to community in Crathorne.

This new temporary Mobile service will operate from outside Crathorne Post Office branch, Crathorne, Yarm, TS15 0BA and will commence from Tuesday 1 November 2022 at 10:30.

To accommodate the new Mobile service at Crathorne, we have made changes to the opening hours at the current Mobile services at Danby, Castleton, Seamer, Botton and Great Broughton. These changes will also take effect from Tuesday 1 November 2022.

We appreciate that for some customers the opening times may be less convenient than for others and these opening times reflect customer usage which will allow us to maintain a Post Office service to the community for the longer term. We will continue to review and monitor services on an on-going basis, and should customer usage increase significantly, consideration would be given to adjusting service times accordingly.

Details of changes to the Post Office services are provided at the end of this letter and posters will now be displayed at Crathorne branch and locally so customers are aware of the change.

If there are any unforeseen changes to the dates, posters will be displayed locally to let customers know.

If you are a local representative, please feel free to share this information with those in your organisation who you feel would have an active interest in this particular matter.

If you have any questions about the new service, please contact the National Consultation Team, as detailed below. Please note that your comments will not be kept confidential unless you expressly ask us to do so by clearly marking them "In Confidence".

We're carrying out this notification in line with our Principles of Community Engagement. An extract relating to Notification is available at the end of this letter.

Thank you for your support in restoring a Post Office service.

Yours faithfully

Gail Burnett

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Notify** - where we are informing customers of changes around:

- Opening hours
- Temporary closure¹ / temporary service interruption
- Re-opening of a temporarily closed branch in the same site
- Opening a new branch unrelated to a previous closure
- Location used by a Mobile Post Office within a community

We will display a poster in branch (or nearby if appropriate) to notify customers of the above changes, providing four weeks' notice. Where four weeks' notice is not possible, we will provide notice as soon as we are able to. For temporary closures we will include details of the nearest alternative Post Offices and our customer helpline/textphone.

These Principles have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Citizens Advice Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

¹ We will provide an update to locally elected representatives if the status of the temporarily closed branch has not changed after 12 months.

There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases, the consultation will seek feedback on alternative Post Office service provision in the area.

We notify locally elected representatives including but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Parliament, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council, selected charities, local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. They are also encouraged to share all information additionally with local groups and organisations who they believe have an active interest in changes to their local Post Office.
