**Your new branch has opened**

We recently asked your views on some key areas about our plans to restore the Post Office service in the local community.

We didn't receive any responses and we are pleased to let you know that we have restored Post Office services in New Bolingbroke, which commenced on Wednesday 9 October 2019.

The postmaster from Coningsby Post Office is operating the Mobile Outreach service from New Bolingbroke Town Hall Car Park, on Wednesdays between 15:45 and 16:15.

Our priority is to safeguard Post Office services to the local community in the longer term. The introduction of a permanent Hosted Mobile Outreach service will enable us to maintain Post Office services to our customers in the local area.

We will continue to review and monitor service on an on-going basis and should customer usage increase significantly, consideration would be given to adjusting service times accordingly.

**Services**

A wide range of services will continue to be available. Customers can still collect benefits in cash using our everyday banking services or Post Office card account.

**Access and facilities**

There is a step into the Mobile vehicle but an electronic tailgate is available to facilitate easy access for wheelchair users and those with disabilities. Internally, there is a hearing loop.

**Transport/parking**

Parking is available close to where the Mobile van is parked.

**Route**

This Mobile Post Office service is located within 200 metres away from the previous branch, along varied terrain.

We hope that you will enjoy using the new Post Office.
