

Dear Customer

## **Engaging with our customers - Share your views**

### **Rhydymwyn Mobile Service Rhydymwyn Service Station, Denbigh Road, Rhydymwyn, Mold, CH7 5HE**

We are moving the above Mobile Post Office service to: Rhydymwyn Service Station, Denbigh Road, Mold, CH7 5HE, where it will operate as one of our local style branches.

The current mobile service is scheduled to cease on Monday 16 February 2026 at 14:45 and the new Post Office service is scheduled to move at the new premises on Friday 20 February 2026 at 13:00. If there are any unforeseen schedule changes which mean these dates change, posters will be displayed to let customers know.

Our priority is to safeguard Post Office services to the local community in the longer term. The relocation of Rhydymwyn Mobile Service will enable us to maintain a Post Office service to our customers in the local community.

We would like to apologise for the inconvenience the closure may cause. We hope that our customers will continue to use Post Office services and details of two alternative Post Office branches in the area are provided below for your convenience:

- Pantymwyn Post Office, Cilcain Road, Pantymwyn, Mold, CH7 5EH
- Mold Post Office, 18 Earl Road, Mold, CH7 1AA

### **We would like to hear from you**

We are keen to move Rhydymwyn Mobile Service as soon as possible, so we have decided to go ahead with our plans. The relocation of the service in a new location is a commercial decision for Post Office Ltd and we are not seeking feedback on this aspect of the change. However, we would welcome suggestions about specific aspects of the change that might benefit customers, particularly on the following areas:

- Do you have any comments about access into the new premises?
- Do you have any comments about access inside the new premises?

Details about your new branch are provided at the end of this letter and our Consultation Hub. We will be accepting comments until **Friday 16 January 2026** We won't be responding to you individually, but any comments received will be taken into consideration as we finalise our plans.

If you don't have a QR code scanner on your phone, you can find one in your app store.

We will display posters at Flint Post Office and new location to tell customers the good news. If you are a local representative, it would be helpful if you could share this information through your social media channels and with any local groups or organisations that you know within the community, for example on noticeboards, local charities and in GP surgeries, to help our customers and your constituents understand what is happening to the Post Office in the local community. If you would like a supply of these posters, please let us know.

Once the plans have been finalised, we'll display a poster in branch and information will be provided on our Consultation Hub outlining the main comments received and our response. If there are any unforeseen changes to the opening date, posters will be displayed in branch to let customers know.

We're carrying out this engagement in line with our Principles of Community Engagement. An extract relating to Engagement is available at the end of this letter.

We do hope that you will support this new service.

Yours faithfully

## **Principles of Community Engagement on changes to the Post Office network (extract)**

A full version of this document is available on our Consultation Hub - [postofficeviews.co.uk](https://postofficeviews.co.uk)

**We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.**

We will **Engage** - where we are seeking feedback on a decision that has been made on:

- Re-opening of a closed branch in a new location
- Franchising of a Directly Managed branch in its existing site where there will be changes to the Post Office service point location
- Relocating a branch where there is a risk that the service could be lost (e.g., an issue with the premises). This is to minimise or avoid a loss of service to a community where a replacement branch location has been Identified<sup>2</sup> and where there is no degradation of access to Post Office services (into and inside the premises).

While the decision to proceed will have already been made, we will welcome suggestions about specific aspects of the change such as access arrangements and the internal layout. We will provide four weeks' notice or, where extenuating circumstances prevent this, we will provide as much notice as possible.

During this period, we will display a poster in branch and provide information online. We will contact locally elected representatives<sup>3</sup>, the Consumer Advocacy Bodies and selected charities<sup>4</sup>, providing clear information on any changes to services or access arrangements at the branch. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.). We will publish the outcome of the engagement online and in branch, providing a summary of key issues raised with a clear response to each and any changes made to our original plans.

**These Principles have been agreed with Citizens Advice, Consumer Scotland and the General Consumer Council for Northern Ireland, the independent statutory consumer advocacy bodies.**

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer advocacy body (Citizens Advice, Consumer Scotland, or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The consumer advocacy body will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

<sup>2</sup> Where there is a service risk situation that would result in the loss of service, to avoid or minimise a loss of service to a community we may need to make a commercial decision to proceed with a relocation of a Post Office branch. In these cases, we will not consult on a relocation, however we will follow the engagement process and seek feedback on access arrangements and the internal layout.

<sup>3</sup> Locally elected representatives include but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Parliament, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council.

<sup>4</sup> Selected charities are local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. All parties referred to in 3 and 4 above are encouraged to share all information with local groups and organisations who they believe have an active interest in changes to their local Post Office.
