Principles of Community Engagement on changes to the Post Office network

What are the Principles of Community Engagement?

The Principles of Community Engagement are guidelines we follow. They explain how and when we will tell you about changes to your local Post Office services. We've worked with the independent statutory consumer watchdog on these guidelines, which in Great Britain is Citizens Advice and Citizens Advice Scotland, and in Northern Ireland it is the Consumer Council.

What kind of situations does it include?

Information about when we're planning to move or close one of our branches or outreach services. This also covers information about when a branch has suddenly closed unexpectedly because of something like a flood or fire.

Who do we tell?

You and your locally elected representatives (such as MPs, local authorities or councils).

How will we tell you what's happening?

If there's a change – like opening a new branch, a temporary closure or a change in opening times – we'll let you know by putting up posters in the Post Office. If the plan is to move a Post Office or permanently close one then we'll put up posters and hand out letters in the branch as well as writing to your representatives. We'll issue a press release and the relevant information will be easy to find on our website.

How long will it take?

We'll let you know about any changes as soon as we possibly can. Sometimes, change is out of our control, but we'll try to keep you as up-to-date about what's happening as we can. We try to make sure you have four weeks' notice before anything happens and if we are going to re-open a temporarily closed branch in a new location or franchise a directly managed branch, in its existing site, we will ask for your feedback. If we're going to permanently relocate or close a Post Office there will be a 'consultation period' which lasts six weeks. This means that you have time to share your views with us.

It's easy to let us know what you think

We want to hear what you and your representatives think about change. To make sure it's easy for you to let us know, all of our contact details can be found on all our posters and letters. You can contact us via our Consultation Hub or email, letter or phone.

How will you find out about the final plans?

We'll let you know in as many ways as possible. There will be posters in branch or locally, letting customers know what's going on. We'll also write to local representatives and the information will be on our website. If you let us know what you think we'll make sure you know about our final plans either on our Consultation Hub or by writing to you, or in branch.

What can you do if you think we haven't followed the Principles of Community Engagement?

If you don't think we've followed the Principles, please contact us and let us know why.
