

Shawbury Post Office® is changing

Late last year we asked your views on some key areas about our plans to change your Post Office to one of our new-look local branches. Although we received no comments about the possible changes, we have now reviewed and finalised our plans for the change to your branch. A summary of some of the main changes for you are provided below.

Your Post Office

You'll be glad to know that most of what you like about your branch won't change. Your new Operator is keen to provide the same high standard of service as is currently received and will be trained to the same high Post Office standards.

The changes to your branch

The new style Post Office will operate from an open plan located at the retail till, enabling customers to carry out a wide range of Post Office products and services alongside retail transactions.

Your opening hours

When the new branch opens the opening hours will remain the same:
Monday - Friday 09:00 – 17:30 and Saturday 09:00 – 12:30

The availability of Post Office products and services

I am pleased to let you know that we are enhancing the range of products which will be available at the new branch and customers will still be able to transact manual banking, Transcash, and Royal Mail and Parcelforce Worldwide International Parcel Services. Additionally cheques will continue to be accepted as a method of payment.

During the closure period you can continue to access Post Office services at Sundorne Avenue Post Office.

Accessing alternative branches during the refurbishment

We've been working with the Operator to keep the refurbishment closure to a minimum and a poster is displayed in branch with details of the nearest alternative branches you can use. We're sorry for any inconvenience caused to you during this period.

Please look at the poster displayed in branch for more details about the change.
