

Dear Customer

Sincil Street Post Office®
Lincolnshire Co-Op, City Square Centre, Sincil Street, Lincoln, LN5 7EJ

Local public consultation

We are moving the above Post Office branch to a new location: Unit 7, The Stonebow Centre, Silver Street, Lincoln, LN2 1DY.

Why are we moving?

Our partners and agents operate Post Office branches alongside their private retail business, and it is important that they make the very best use of their resources to ensure future sustainability of both their business and the Post Office service. In this case, our partner has identified an opportunity to move this branch.

The area in which the current branch is located is being redeveloped and the current branch is scheduled to close on Tuesday 23 February 2021 at 13:00.

The new premises, which is currently empty, will undergo a refurbishment to incorporate Sincil Street Post Office. The new branch is scheduled to open on Friday 26 February 2021 at 13:00. Our priority is to safeguard Post Office services to the local community in the longer term and the relocation of Sincil Street Post Office will enable us to maintain a Post Office service to our customers in the local community.

During transfer of the branch customers requiring Post Office facilities may use any convenient Post Office service. Details of two alternative Post Office branches are provided below for your convenience:

- Monks Road Post Office, 189 Monks Road, Lincoln, LN2 5JP
- Bailgate Post Office, 90 Bailgate, Lincoln, LN1 3AE

Your new Post Office branch

Customers would access Post Office services in a modern, open-plan environment. Working with the postmaster, we'd adapt the current store layout, fixtures and fittings to accommodate the Post Office. It will be in a dedicated area of the store with one screened and three open-plan positions. A wide range of Post Office products and services would be available. Customer satisfaction with these style of branches stands at 95 per cent.

Consulting on the new location

Whilst the decision has already been made to move the branch, we would still like your views on access and the service offered at the new location. Therefore, we're now commencing a local public consultation and before we finalise our plans would like to hear your views, particularly around the following questions:

- Are the new premises easy for you to get into and is the inside easily accessible
- Are there any other local community issues which you believe could be affected by or affect the change
- Is there anything we could do to make it easier for customers

An information sheet is enclosed that provides more details about your new branch. For further information or to share your views, please visit our Consultation Hub via the link below, then use the search function to find the consultation for this branch either by branch name, postcode or the unique branch code **316324**

postofficeviews.co.uk

If you're a local representative, it would be helpful if you could share this information with any local groups or organisations that you know within the community, for example on noticeboards, local charities and in GP surgeries, to help our customers and your constituents understand what is happening to the Post Office in Sincil Street/Lincoln. If you would like a supply of these posters please let us know.

Dates for local public consultation:

Local Public Consultation starts	Wednesday 03 February 2021
Local Public Consultation ends	Wednesday 17 March 2021

The current Post Office is scheduled to close on Tuesday 23 February 2021 and your new look Post Office is scheduled to open at the new premises on Friday 26 February 2021, however this does not affect the period of public consultation which is ongoing until Wednesday 17 March 2021.

We are committed to engaging with and supporting our customers and their representatives as we make changes to the Post Office network. This consultation process is being carried out in line with our Principles of Community Engagement which have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland - the independent statutory consumer watchdogs. A copy is available at the end of this letter.

Any information we receive will be considered as we finalise our plans. At the end of the consultation we'll let you know our final plans by displaying a poster in the branch or if you are a local representative I'll be in touch again.

Yours faithfully

Hayley Brown

Principles of Community Engagement on changes to the Post Office network

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Notify** - where we are informing customers of changes around:

- Opening hours
- Temporary closure¹/ temporary service interruption
- Re-opening of a temporarily closed branch in the same site
- Opening a new branch unrelated to a previous closure
- Location used by a Mobile Post Office within a community

We will display a poster in branch (or nearby if appropriate) to notify customers of the above changes, providing four weeks' notice. Where four weeks' notice is not possible, we will provide notice as soon as we are able to. For temporary closures we will include details of the nearest alternative Post Offices and our customer helpline/textphone.

We will **Engage** - where we are seeking feedback on a decision that has been made on:

- Re-opening of a temporarily closed branch in a new location (where the branch has been closed for more than three months)
- Franchising of a Directly Managed branch in its existing site

While the decision to proceed will have already been made, we will welcome suggestions about specific aspects of the change such as access arrangements and the internal layout. We will provide four weeks' notice or, where extenuating circumstances prevent this, we will provide as much notice as possible.

During this period we will display a poster in branch and provide information online. We will contact locally elected representatives², the Consumer Advocacy Bodies and selected charities³, providing clear information on any changes to services or access arrangements at the branch. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.). We will publish the outcome of the engagement online and in branch, providing a summary of key issues raised with a clear response to each and any changes made to our original plans.

We will **Consult** - where we are seeking feedback on proposals prior to a decision being made on the:

- Permanent closure of a Post Office branch⁴
- Permanent relocation of a Post Office branch (including the franchising of a Directly Managed branch to a new site)

We will carry out a six-week⁵ local public consultation, informing customers, locally elected representatives, Consumer Advocacy Bodies and selected charities of the proposal. This information will also be made available online and for a Directly Managed branch a press release will be issued to local media. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.).

The consultation will ask specific questions on areas where we would like feedback on access to Post Office services and will confirm when the change will happen if the decision is made to proceed. We will provide clear information on any changes to services as well as access to and into the new branch.

We welcome all feedback with the following factors being taken into account in making our decision, which we expect to make within four weeks of the close of consultation:

- Customer access to, into and inside the new or alternative branch/branches with particular regard to vulnerable consumers
- Any local community issues which could be affected by or affect the proposal

At the end of the consultation process we will write to locally elected representatives, Consumer Advocacy Bodies and respondents to the consultation (where practical) to confirm our decision and provide a summary of key issues raised with a clear response to each. This information will be made available online and in branch (where possible).

These Principles have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Citizens Advice Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

¹We will provide an update to locally elected representatives if the status of the temporarily closed branch has not changed after 12 months.

² Locally elected representatives include but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Assembly, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council.

³ Selected charities are local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. All parties referred to in 2 and 3 above are encouraged to share all information with local groups and organisations who they believe have an active interest in changes to their local Post Office.

⁴ There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases the consultation will seek feedback on alternative Post Office service provision in the area.

⁵ If the consultation includes more than four weeks in July in Scotland and Northern Ireland or more than four weeks in August in England and Wales we will extend the period by one calendar week. We will not start any local public consultation during the two-week period which includes the Christmas and New Year bank holidays.
