Local Public Consultation Decision

I am writing to confirm that we will be proceeding with our proposal to change the opening times at the above branch.

We received 1 response from a customer about the proposed change during the local public consultation period, which welcomed the new opening times. The feedback received enabled me to improve my understanding of customers' concerns and to ensure that all such information was taken into account before finalising our plans for the new service.

We do understand that for some customers the service times may be less convenient, however, we do consider that these hours will meet the needs of our customers and allow us to maintain a sustainable service in the longer term. We will, however, continue to review and monitor service on an on-going basis and should customer usage increase significantly, consideration would be given to adjusting service times accordingly.

I can confirm that the proposed reduction of hours has been based on customer usage of the Post Office and we are therefore confident that the new service will adequately cope with customers demand.

The new opening times commenced on Monday 30 October 2017.

Further details of the new service are provided at the end of this letter.
