

Dear Customer

Service Re-Opening

Torridon Post Office
Torridon Community Hall, Torricon, Achnasheen, IV22 2EZ

We are delighted to let you know that we will be restoring the Hosted Outreach Post Office services to the local community in Torricon on Tuesday 30 November 2021.

Due to the far-reaching effects of the Coronavirus pandemic, this Hosted Outreach Post Office service closed temporarily in March 2020. Please accept our apologies for the late notification on this occasion and for any inconvenience caused by the temporary closure.

The Postmaster from Lochcarron Post Office has been identified and will operate the Hosted Outreach Post Office service from the same premises: within the Torricon Community Hall, Torricon, Achnasheen, IV22 2EZ, on Tuesdays between 11:00 and 13:00.

A wide range of Post Office products and services will continue to be available.

Full details of the Hosted Outreach Post Office service are provided at the end of this letter and posters will be displayed at the Torricon Community Hall and locally to inform customers.

I know that the local community will join me in welcoming this good news and hope that you and our customers will continue to use this service.

If you are a local representative, it would be helpful if you could share this information through your social media channels and with any local groups or organisations that you know within the community, for example on noticeboards, local charities and in GP surgeries, to help our customers and your constituents understand what is happening to the Post Office in the local community.

If there are any unforeseen changes to the opening date, posters will be displayed in the Torricon Community Hall to let customers know.

We're carrying out this notification in line with our Principles of Community Engagement. A copy is available at the end of this letter.

Yours faithfully

Principles of Community Engagement on changes to the Post Office network (extract)

A full version of this document is available on our Consultation Hub - postofficeviews.co.uk

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Notify** - where we are informing customers of changes around:

- Opening hours
- Temporary closure¹ / temporary service interruption
- Re-opening of a temporarily closed branch in the same site
- Opening a new branch unrelated to a previous closure
- Location used by a Mobile Post Office within a community

We will display a poster in branch (or nearby if appropriate) to notify customers of the above changes, providing four weeks' notice. Where four weeks' notice is not possible, we will provide notice as soon as we are able to. For temporary closures we will include details of the nearest alternative Post Offices and our customer helpline/textphone.

These Principles have been agreed with Citizens Advice, Citizens Advice Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Citizens Advice Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

¹ We will provide an update to locally elected representatives if the status of the temporarily closed branch has not changed after 12 months.

There may be a small number of cases where due to circumstances outside our control we have no option other than to permanently close a branch in a particular location. In these cases, the consultation will seek feedback on alternative Post Office service provision in the area.

We notify locally elected representatives including but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Parliament, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council, selected charities, local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. They are also encouraged to share all information additionally with local groups and organisations who they believe have an active interest in changes to their local Post Office.
