Ullapool Post Office

Previously located at: Parlett's Convenience Store, 1 Shore Street, Ullapool, IV26 2UJ

We are delighted to let you know that following the temporary closure of Ullapool Post Office we are planning to reopen the branch in September 2024. Once we have confirmed dates in place, we will notify customers. This will be in a new location - Tesco Stores Ltd, Latheron Lane, Ullapool, Ross-Shire, IV26 2XB. The current Mobile Service, which is operating from outside Ullapool Village Hall, 4 Market Street, Ullapool, IV26 2XE will cease in September 2024 in line with the reopening.

During transfer of the branch customers requiring Post Office facilities may use any convenient Post Office service. Details of an alternative Post Office branch are provided below for your convenience:

- Achiltibuie Post Office, Achiltibuie, Ullapool, IV26 2YG

We will display posters in the new location and the local area to tell customers the good news. If you are a local representative, it would be helpful if you could share this information through your social media channels and with any local groups or organisations that you know within the community, for example on noticeboards, local charities and in GP surgeries, to help our customers and your constituents understand what is happening to the Post Office in the local community. If you would like a supply of these posters, please let us know.

We would like to hear from you

We are keen to restore services to this community as soon as possible, so we have decided to go ahead with our plans. The re-opening of the branch in a new location is a commercial decision for Post Office Ltd and we are not seeking feedback on this aspect of the change. However, we would welcome suggestions about specific aspects of the change that might benefit customers, particularly on the following areas:

- Do you have any comments about access into the new premises?
- Do you have any comments about access inside the new premises?

Details about your new branch are provided at the end of this letter and our Consultation Hub. We will be accepting comments until Friday 14 June 2024. We won't be responding to you individually, but any comments received will be taken into consideration as we finalise our plans.

You can share your views on this branch reopening through our easy and convenient online questionnaire via postofficeviews.co.uk. When entering the website, you can use the search function to find the engagement for this branch either by branch name, postcode or the unique branch code **323840**

Principles of Community Engagement on changes to the Post Office network (extract)

A full version of this document is available on our Consultation Hub - postofficeviews.co.uk

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Engage** - where we are seeking feedback on a decision that has been made on:

- Re-opening of a closed branch in a new location
- Franchising of a Directly Managed branch in its existing site where there will be changes to the Post Office service point location
- Relocating a branch where there is a risk that the service could be lost (e.g., an issue with the premises). This is to minimise or avoid a loss of service to a community where a replacement branch location has been Identified² and where there is no degradation of access to Post Office services (into and inside the premises).

While the decision to proceed will have already been made, we will welcome suggestions about specific aspects of the change such as access arrangements and the internal layout. We will provide four weeks' notice or, where extenuating circumstances prevent this, we will provide as much notice as possible.

During this period, we will display a poster in branch and provide information online. We will contact locally elected representatives³, the Consumer Advocacy Bodies and selected charities⁴, providing clear information on any changes to services or access arrangements at the branch. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.). We will publish the outcome of the engagement online and in branch, providing a summary of key issues raised with a clear response to each and any changes made to our original plans.

These Principles have been agreed with Citizens Advice, Consumer Scotland and the General Consumer Council for Northern Ireland, the independent statutory consumer watchdogs.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Consumer Scotland, or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.

² Where there is a service risk situation that would result in the loss of service, to avoid or minimise a loss of service to a community we may need to make a commercial decision to proceed with a relocation of a Post Office branch. In these cases, we will not consult on a relocation, however we will follow the engagement process and seek feedback on access arrangements and the internal layout.

³ Locally elected representatives include but are not restricted to the Member of Parliament, Scottish Parliament, Welsh Parliament, or Northern Ireland Assembly, Local Authority Chief Executive, Ward Councillors, Parish or Community Council.

⁴ Selected charities are local Citizens Advice, Age UK, Northern Ireland's Disability Action and Northern Ireland's Rural Community Network. All parties referred to in 3 and 4 above are encouraged to share all information with local groups and organisations who they believe have an active interest in changes to their local Post Office.
