

Dear Customer

Wincheap Post Office®
Previously located at: 56 Wincheap, Canterbury, CT1 3RS

Local public consultation

We are proposing, to re-open the above Post Office service at a new location – Londis, 70 Zealand Road, Canterbury, CT1 3QB, where it will be known as Zealand Road Post Office. I'm pleased to tell you that, if the move goes ahead, subject to consultation, it will change to one of our new local style branches.

Wincheap branch closed temporarily in January 2008. We are now able to restore the service and I am therefore, pleased to inform you that a new operator has been appointed, providing us with the opportunity to incorporate Post Office services into their existing Convenience store, located approximately 600 metres from the previously closed branch. The establishment of a Post Office local service presents the best possible solution to allow us to restore Post Office services to our customers in the area.

Why are we moving?

We're proposing this move as part of the ongoing modernisation of our branch network. Over the last five years we have transformed over 7,500 branches so more customers can access Post Office products and services in a modern and friendly environment, often over longer hours including Sundays. We are confident that introducing a local style branch alongside a successful retail store is the most effective way to safeguard sustainable Post Office services in the local community into the future.

Your new Post Office branch

Customers would access Post Office services at a low-screened, open-plan, modern serving point that's part of the retail counter. Working with the postmaster, we'd adapt the current store layout, fixtures and fittings to accommodate the Post Office till if needed. The branch will offer a wide range of Post Office products and services over longer opening hours, so customers can access their Post Office when it's convenient. Customer satisfaction with local style branches stands at 96 per cent, and nearly 20 per cent of local branch customer's visit outside traditional opening hours.

Consulting on the proposed new location

We're carrying out a local public consultation and we'd welcome your views on the proposal. We welcome feedback and comments that can help inform our plans, particularly on the following areas:

- How easy it is to get to the new location?
- Are the new premises easy for you to get into and is the inside easily accessible?
- Are there any other local community issues affected by the move?
- If the move were to proceed is there anything we could do to make it easier for customers?

I've enclosed an information sheet that provides more details about the new location and the range of products that will be available. If you have any comments or questions, please email or write to me via our National Consultation team, whose contact details are below. Any information we receive will be considered as we finalise our plans for the new branch.

You can share your views on the proposed change through our easy and convenient online questionnaire via the link below. When entering the site you can use the search function to find the consultation for this branch either by branch name, postcode or the unique branch code 252909

Yours faithfully

Code of Practice for changes to the Post Office® network

What's a Code of Practice?

The Code of Practice contains guidelines we follow. They tell us how, and when to tell you about changes to your local Post Office services. We've worked with the independent statutory consumer watchdog on these guidelines, which in Great Britain is Citizens Advice and Citizens Advice Scotland, and in Northern Ireland, the Consumer Council.

What kind of changes does it include?

Information about when we're planning to move or close one of our branches or outreach services. This also covers information about when a branch has suddenly closed unexpectedly because of something like a flood or fire.

Who do we tell about changes?

You and your representatives (who are often local MPs or local authorities and councils).

How will we tell you what's happening?

If there's a minor change – like changing opening times, then we'll let you know by putting up posters in the Post Office. If the plan is to move a Post Office then we'll put up posters and hand out letters in the branch as well as writing to your representatives. We'll have a press release and, the relevant information will be easy to find on our website.

How long will it take?

We'll let you know about any changes as soon as we possibly can. Sometimes, change is out of our control but we'll try to keep you as up-to-date about what's happening as much as we can. We try to make sure you have 4 weeks' notice before anything happens. If we're going to make big changes, there'll be a 'consultation period' which lasts about 6 weeks. This means that you've got time to let us know how you feel.

It's easy to let us know what you think...

We want to hear what you and your representatives think about change and to make sure it's easy for you to let us know, all of our contact details can be found on all our posters and letters. You can contact us by email, letter or 'phone.

How will you find out about the final plans?

We'll be letting you know in as many ways as possible. There'll be posters put up in or around your local area, letting you know what's going on. We'll also write to local representatives and, the information will be on our website.

If you let us know what you think, we'll make sure you know about our final plans either by writing to you, or having the information easily available in the Post Office or on our website.

What can you do if you think we haven't followed the Code of Practice?

If you don't think we've followed the Code, then please write to us or email us via the contact details included in this letter and let us know why.

To have a look at the full Code of Practice, it's on our website at www.postofficeviews.co.uk
