We would like to hear from you

We are keen to restore services to this community as soon as possible, so we have decided to go ahead with our plans. However, we would welcome suggestions about specific aspects of the change that might benefit customers, particularly on the following areas:

- Do you have any comments about access into the new premises?

We will display posters in the new location to tell customers the good news. If you would like a supply of these posters, please let us know.

Once the plans have been finalised, we'll display a poster in branch and information will be provided on our Consultation Hub outlining the main comments received and our response. If there are any unforeseen changes to the opening date, posters will be displayed in branch to let customers know.

We're carrying out this engagement in line with our Principles of Community Engagement. An extract relating to Engagement is available at the end of this letter.

We do hope that you will support this new service.

Principles of Community Engagement on changes to the Post Office network (Extract)

A full version of this document is available on our Consultation Hub - postofficeviews.co.uk

We are committed to engaging and supporting our customers and their representatives as we make changes to the Post Office network. The following Principles will be adopted when communicating about changes to your local Post Office branch.

We will **Engage** - where we are seeking feedback on a decision that has been made on:

- Re-opening of a temporarily closed branch in a new location (where the branch has been closed for more than three months)
- Franchising of a Directly Managed branch in its existing site

While the decision to proceed will have already been made, we will welcome suggestions about specific aspects of the change such as access arrangements and the internal layout. We will provide four weeks' notice or, where extenuating circumstances prevent this, we will provide as much notice as possible.

During this period we will display a poster in branch and provide information online. We will contact locally elected representatives², the Consumer Advocacy Bodies and selected charities³, providing clear information on any changes to services or access arrangements at the branch. We will ask locally elected representatives to share information with other key community outlets (such as notice boards, local charities, magazines, GP surgeries etc.). We will publish the outcome of the engagement online and in branch, providing a summary of key issues raised with a clear response to each and any changes made to our original plans.

These Principles have been agreed with Citizens Advice, Consumer Scotland and the General Consumer Council for Northern Ireland; the independent statutory consumer watchdogs.

What to do if you feel these Principles haven't been followed:

Please get in touch so we can investigate your complaint. We'll explain in our reply whether we believe we have followed our Principles of Community Engagement and will provide you with the contact details for the relevant consumer watchdog (Citizens Advice, Consumer Scotland or the Consumer Council for Northern Ireland) if you're not satisfied with our response. The watchdog will independently assess whether we have followed the Principles of Community Engagement process (rather than the decision itself) and recommend any actions with respect to the complaint.
